ASSIGNMENT

WHEREAS, DPHI, Inc., formerly known as DPHI Acquisitions, Inc. (the "Assignor"), having a principal business address of 2101 Ken Pratt Blvd, Suite 200, Longmont, CO 80501, hereafter referred to as "Assignor", owns all right title and interest to the inventions of certain new and useful improvements disclosed in certain patents and patent applications recited in the Assigned Assets (defined below);

WHEREAS, OD Technologies, LLC, a Delaware limited liability company, herein referred to as "Assignee," whose mailing address is 20 Depot Street, Suite 2A, Peterborough, NH 03458, is desirous of acquiring the entire right, title and interest in the Assigned Assets;

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, Assignor agrees as follows. Assignor hereby assigns to the Assignee its entire right, title and interest in and to the Assigned Assets in the United States of America and all other countries, where "Assigned Assets" means the patents and patent applications recited in the attached Patent and Patent Application Portfolio List, including any and all divisional, continuation, continuation-in-part, substitute, reissue, re-examination and other application claiming priority thereto or benefit thereof pursuant to any law or treaty, the right to claim such priority or benefit, and all claims of Assignor for profits and damages by reason of past infringement, if any, of said Assigned Assets, with, to the extent transferable, the right to sue for and collect such profits and damages, the same to be held and enjoyed by the Assignee for its own use and benefit and the use and benefit of its successors, legal representatives, and assigns, to the full end of the term or terms for which said Assigned Assets may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made. Assignor hereby authorizes the U.S. Patent and Trademark Office, and any other governmental agency in the world, to issue to Assignee all patents resulting from the Assigned Assets and to record Assignee's ownership thereof. Assignee may assign or transfer all or part of its rights set forth herein in its sole discretion. Assignor agrees that Assignee may affix hereto or hereon an indication, with its signature, of its acceptance of the assignment and other provisions hereof. If any provision hereunder is unenforceable, the requirements of the provision shall remain to the full extent permissible by law and the offending portions thereof shall be deemed replaced, to the extent possible, with a provision most closely reflecting the purpose of the offending provision.
