ASSIGNMENT OF PATENTS

THIS ASSIGNMENT OF PATENTS, made by Husqvarna U.S. Holding, Inc. (f/k/a Husqvarna Professional Outdoor Products Inc.), a corporation existing under the laws of the state of Ohio, having a principal place of business at 9335 Harris Corners Parkway, Suite 500, Charlotte, NC 28269 (hereinafter referred to as "Assignor") to Husqvarna Turf Care, LLC, a limited liability company existing under the laws of the state of Delaware, having a principal place of business at 9335 Harris Corners Parkway, Suite 500, Charlotte, NC 28269 (hereinafter referred to as "Assignee"),

WITNESSETH: That,

WHEREAS Assignor and Assignee entered into that certain Intellectual Property Assignment Agreement transferring and assigning all Assignor's intellectual property rights to Assignee, and

WHEREAS Assignor and Assignee desire to memorialize the transfer and assignment of all of Assignor's right, title and interest in and to those certain United States patents and/or patent applications identified on the attached Schedule A and in and to all corresponding patents and/or patent applications worldwide, and in and to the inventions represented thereby (all hereinafter referred to as the "Patents").

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its entire right, title, and interest in and to said Patents and the inventions represented thereby, and any and all continuations, continuations-in-part, or divisions thereof, and any and all Letters Patent or reissues, reexaminations, or extensions thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim priority in all foreign countries in accordance with the International Convention; all rights corresponding to said Patents in foreign countries throughout the world; and all of its rights to sue for past infringement of said Patents worldwide, together with all claims for damage by reason of past infringement of said Patents, with the right to sue for, and collect the same for Assignee's own use and enjoyment; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

From time to time after the date hereof, at the request of either party hereto, and at the expense of the party so requesting, each of the parties hereto shall execute and deliver to such requesting party such documents and take such other action as such requesting party may reasonably request in order to consummate more effectively the transactions contemplated hereby.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses full title to the inventions and Patents thereon as earlier identified, and that it has the unencumbered right and authority to make this assignment.

IN WITNESS WHEREOF, Assignor has caused its duly authorized officer to execute this Assignment of Patents as of this 14th day of December, 2011.
