## ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS

---

Whereas, **Songbird Hearing, Inc.**, a US Corporation, organized under the laws of the state of Delaware, United States, with its principle place of business at 210 North Center Drive, North Brunswick, NJ 08902 (hereinafter "Assignor") is the sole owner of the entire right, title and interest in and to the United States Letters Patents and Patent Applications described in Exhibit A attached hereto and made a part hereof, and foreign counterparts thereof, except for the United States Letters Patents and Patens Applications described in Exhibit A as being co-owned by Sarnoff and Songbird Hearing, Inc., as to which Assignor is the owner of an undivided one-half interest therein (all of the United States Letters Patents and Patent Applications described in Exhibit A and foreign counterparts thereof being referred to hereinafter as "Patents"); and

Whereas, said **K/S HIMPP**, a Delaware corporation having a place of business at Nymøllevej 6, 3540 Lynge, Denmark (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to the Patents.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor has sold, assigned and transferred, and by there presents does hereby self, assign and transfer Assignor's entire right, title and interest in and to the Patents and all reissues and extensions thereof, including all claims, if any, which may have arisen for infringement of any of the Patents prior to the date of this assignment, all said rights to be held and enjoyed by the Assignee for its own use and for the use of its successors, assigns or other legal representatives, to the full end of the term for which the Patents have been or will be granted, extended or reissued, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made.

Assignor further agrees that Assignor will, without demanding any further consideration therefore, at the request but at the expense of Assignee, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, or reissuing the Patents, and for maintaining and perfecting Assignee's right to the Patents.

In witness whereof, Assignor has caused these presents to be signed by its duly authorized officer below named effective as of December 7 2011.

Songbird Hearing Inc.
