**ASSIGNMENT AND AGREEMENT**

We, **Darin Nebeker, James McGarry, and Amir Zonshine** (Assignors), hereby declare that we are the inventors of the invention relating to **PISTOL**, described in an application for Letters Patent of the United States of America identified as non-provisional application Serial No. 29/401,251 filed September 9, 2011 identified as **Attorney Docket No. E6026-00729**.

For valuable consideration received, we, Assignors, hereby sell, assign and transfer to **STURM, RUGER & COMPANY, INC.** (Assignee) with its principal place of business located at One Lacey Place, Southport, CT 06890, and its successors, assigns and legal representatives, our entire right, title and interest, for the United States of America, in and to said invention, and all the rights and privileges in said application and under any and all Letters Patent and any divisions, continuations, continuations-in-part, reexamination certificates, reissues, and extensions thereof that may be granted in the United States for said inventions; and we, Assignors, also concurrently hereby sell, assign and transfer to Assignee our entire right, title and interest in and to said invention for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

Assignors authorize Assignee to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

Assignors hereby agree that, when requested, we shall, without charge to Assignee but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

Assignors hereby agree that, we will communicate to said Assignee or its representatives any facts known to us respecting said inventions and, when requested by said Assignee and at its expense, will testify in any legal proceedings, and generally do everything possible to aid said Assignee, its successors, assigns, and legal representatives or nominees, to obtain or enforce proper protection for said inventions in any and all countries.

Assignors hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Assignee to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

Assignors hereby request that any and all patents for said inventions be issued to Assignee in the United States and in all countries foreign to the United States, or to such nominees as Assignee may designate.

Assignors covenant with STURM, RUGER & COMPANY, INC., its successors, assigns, legal representatives, and nominees, that to the best of their knowledge the right, title, and interest herein conveyed by us, are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
