ASSIGNMENT AND AGREEMENT

For value received, we, Scott Johnston, of Darien, in the County of Fairfield, and State of Connecticut, Mandy Sladden, of Lafayette, in the County of Boulder, and State of Colorado, Ian Gunn, of San Francisco, in the County of San Francisco, and the State of California, and Nick Cooper, of Annandale, New South Wales, Australia, do hereby sell, assign and transfer to Google, Inc., a corporation of the State of Delaware, having an office at 1600 Amphitheatre Parkway, Mountain View, CA 94043 U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **System and Method for Providing Document Processing Services** described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also hereby sell, assign and transfer to Google, Inc., and its successors, assigns and legal representatives, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Google, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Google, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Google, Inc. in the United States and in all countries foreign to the United States, or to such nominees as Google, Inc. may designate.

We agree that, when requested, we shall, without charge to Google, Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
