GLOBAL GENERAL ASSIGNMENT

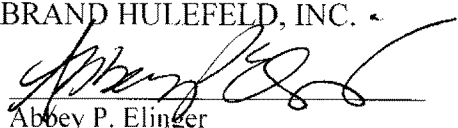

Interbrand Hulefeld, Inc., a corporation organized and existing under the laws of the State of Delaware, United States of America, and having a place of business at 130 Fifth Avenue, New York, NY 10011, has an ownership interest in the United States Design Patent Application titled "CARTON", Attorney's Docket Number D-1975 and filed with the United States Patent and Trademark Office as Design patent Application Serial Number 29/404,824 on October 26, 2011 recognizes that the invention disclosed in the Application was made on behalf of The Procter & Gamble Company, and Interbrand Hulefeld, Inc. acknowledges its obligation at the time said invention was made to assign the same to The Procter & Gamble Company. In recognition of this obligation, Interbrand Hulefeld, Inc. hereby assigns, conveys, and transfers unto The Procter & Gamble Company, a corporation organized and existing under the laws of the State of Ohio, United States of America, its entire right, title, and interest in United States Design Patent Application Serial Number 29/404,824, together with the invention disclosed therein, and the right to claim the benefit of the filing date of said Design Patent Application under any international conventions. Furthermore, Interbrand Hulefeld, Inc. hereby assigns, conveys, and transfers unto The Procter & Gamble Company its entire right, title and interest in all patents of the United States or of any other country which may be issued on the invention disclosed in the assigned Design Patent Application, or any reissues, reexaminations, continuations, continuations-in-part, divisionals, or extensions thereof. Said Design Patent Application, invention, right to claim the benefit of the filing date of the Design Patent Application, and any subsequently issued patents, reissues, reexaminations, continuations, continuations-in-part, divisionals, and extensions to be held and enjoyed by The Procter & Gamble Company, its legal representatives, successors, and assigns, to the end of the term or terms for which the same would have been held and enjoyed by Interbrand Hulefeld, Inc. if this assignment has not been made, together with all claims for profits and damages by reason of infringement, with the right to sue for and collect the same for its own use and advantage. The entire rights, title and interest in said invention and in said Design Patent Application and any patents resulting therefrom shall vest irrevocably in The Procter & Gamble Company, its legal representatives, successors or assigns. Interbrand Hulefeld, Inc. further agrees upon request, without additional compensation but at no expense to Interbrand Hulefeld, Inc. to execute or assent to applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors, and assigns as The Procter & Gamble Company, its legal representatives, successors, or assigns may direct.

Interbrand Hulefeld, Inc. further requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention herein assigned and as set forth in U.S. Design Patent Application Serial Number 29/404,824 to The Procter & Gamble Company, its legal representatives, successors, or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.

This assignment is being made effective as of the earlier of 1) date of execution shown below or 2) the filing date of the first-filed of said patent application(s).
