ASSIGNMENT

WHEREAS, WE, VANCE M. PATTERSON, a citizen of the United States, residing at 4950 Canterbury Place, Morganton, NC 28655; MATTHEW PATTERSON, a citizen of the United States, residing at 236 Huntcliff Drive, Columbia, SC 29229; and MARK E. MOORE, a citizen of the United States, residing at 211 Stephanie Lane, Ridgeway, SC 29130, have invented one or more inventions (hereinafter referred to as "said invention(s)") disclosed in an application for Design Letters Patent of the United States entitled "**High Velocity Truck Cooler**," filed on November 4, 2011, and assigned application serial no. 29/405,741 (hereinafter referred to as "said application(s)").

WHEREAS Patterson Fan Company (hereinafter together with its successors and assigns referred to as "the Assignee"), a South Carolina corporation having a place of business at 1120 Northpoint Blvd., Blythewood, SC 29016, is desirous of obtaining all right, title, and interest in, to, and under said invention(s) and said application(s); and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we have sold, assigned, transferred, and set over, and by these presents hereby sell, assign, transfer, and set over to the Assignee all right, title, and interest in, to, and under said invention(s) and said application(s), including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on said invention(s), and any and all other applications for Letters Patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part, and convention applications based in whole or in part upon said invention(s) or upon said application(s), and any and all Letters Patent which may issue thereon in the United States of America and foreign countries and any and all reissues, extensions, renewals, divisions, continuations, or continuations-in-part of Letters Patent granted for said invention(s) or upon said application(s), to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s), said application(s), and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by us had this Assignment not been made. We hereby authorize the Assignee to file patent applications in any and all countries on any or all of said invention(s) in our name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or the applicable laws of a particular jurisdiction.

We hereby authorize the responsible officer of the Patent and Trademark Office of the United States, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer all said Letters Patent on said invention(s) to the Assignee as owner of all right, title, and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

We hereby represent and warrant that we have the full right to convey the entire right and interest herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that we will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

We hereby covenant and agree that we will, upon request of the Assignee, communicate to the Assignee any facts known to us relating to said invention(s) and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing, and reissue applications and all rightful oaths and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce proper patent protection for said invention(s) in all countries.

This Assignment is *nunc pro tunc* effective as of November 4, 2011.
