EXHIBIT B(i)

ASSIGNMENT OF PATENT

WHEREAS, I, Michael Sasha John, of (City), (State), have developed certain inventions described in US Patent Serial No. 12/131,886 entitled "Systems and Methods for Wireless Power" (the "Patent"), issued on (insert date of USPTO registration issuance), and have full right to convey the entire interest, both legal and equitable, in and to said Patent and inventions free from all prior assignments, agreements, licenses, mortgages, security interests, or other encumbrances whatsoever; and

WHEREAS, Withcity Corporation ("Assignee"), having offices at 149 Grove Street, Watertown, MA 02472, is desirous of acquiring the entire right, title and interest in and to said Patent and inventions and any and all other or additional patents to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the undersigned, the undersigned does hereby sell, assign, transfer and set over unto said Assignee, its successors and assigns, his entire right, title and interest throughout the world in and to said Patent, invention or inventions, as described in the Patent, in any form or embodiment thereof, and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications and claim priority under the provisions of any international convention or treaty; also the entire right, title and interest throughout the world in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said Patent, invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said Patent, invention or inventions in this or any foreign country; and also all past, present and future claims for infringement of the said Patent, whether known or unknown, now existing or hereafter arising; and the undersigned hereby authorizes and requests the issuing authority to issue any and all patents on said application or applications to said Assignee or its successors and assigns.

The undersigned further agrees, without any further payment or compensation by said Assignee or its successors and assigns, to communicate to said Assignee, its representatives or agents or its successors and assigns, any facts relating to said Patent, invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said Assignee, its successors or assigns and nominees to secure, obtain and enforce proper patent protection for said invention or inventions in this or any foreign country.

IN TESTIMONY WHEREOF, the undersigned has hereunto set his hand and seal on the date after his signature.
