## ASSIGNMENT

WHEREAS, Rory Macpherson Jones (hereinafter Assignor), is the inventor and owner of USSN 12/457,627, filed June 17, 2009 for Improvements in Rotary Moulding; and

WHEREAS, TEAL Corporation Limited (hereinafter Assignee), a corporation, located and doing business at 21 Paritai Drive, Orakei, Auckland, New Zealand is desirous of acquiring as trustee for the Mount Hutt Trust the complete title and interest in said patent application and invention in countries foreign to the United States.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto said Assignee, its successors, legal representatives, heirs and assigns the entire right, title and interest in the United States, and all countries foreign to the United States, to said invention as described in said patent application and including the right to claim priority, the eventual Letters Patent, and all reissues, or extension of said Letters Patent to be held and enjoyed by said Assignee for its own use, or for its legal representatives, successors, heirs, and assigns to the full end of the term for which said Letters Patent is granted, and any extensions thereof, as fully and entirely as the same would have been held by said Assignor had this assignment and sale not been made, and for the same consideration, said Assignor hereby covenants and agrees that at the time of execution and delivery of this instrument he is the lawful owner of the complete right, title and interest in and to said invention and said Letters Patent above mentioned, its interest is unencumbered and that he has good and full right and lawful authority to sell and convey its interest in the manner set forth herein; and for the same consideration Assignor hereby covenants and agrees that he will, when ever counsel for said Assignee, or counsel for its legal successors, legal representatives, heirs or assigns shall advise that any proceedings in connection with said Letters Patent or any re-issue or extension of said Letters Patent to be obtained thereon, is lawful and desirable, sign all papers and documents, make all lawful oaths, and do all acts necessary as required to be done for the procurement, maintenance, enforcement and defense of said Letters patent, without charge to said Assignor, its successors, legal representatives, heirs and assigns, but at the expense of said Assignee, its successors, legal representatives, heirs and assigns.

Assignor hereby further assigns to Assignee all claims and causes of action for infringement of the patent rights assigned herein, including the right to sue for, and collect damages for, any and all acts of past and future infringement.
