ASSIGNMENT OF DESIGN

WHEREAS, I, **Stanislav Churý**, of Cheb, Sweden, invented certain new, original and ornamental design CONTAINER ATTACHMENT AND CASING for which I executed an application for a United States Design Letters Patent and for which said application for United States Design Letters Patent was filed on November 21, 2011, under

☒ Patent Application Serial No. 29/406,965

☒ Attorney Docket No. PEI 0002 DA/72837.2;

WHEREAS, I hereby authorize and request the attorney(s) and/or agent(s) empowered to act on my behalf in the aforementioned application, to insert above the filing date and application number of said application, when known;

AND WHEREAS, **Petainer Lidköping AB**, a private limited liability company of the country of Sweden, with a place of business at Box 902, SE-53119 Lidköping, Sweden, hereinafter called the Assignee, is desirous of acquiring the entire right, title and interest in and to said design application and the inventions therein disclosed and any design letters patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest in and to said design application and any divisions or continuations thereof, and the inventions therein disclosed, and any improvements thereon, and any patent or patents that may be issued or reissued thereon, and I hereby authorize and request the Commissioner of Patents and Trademarks to issue any letters patent thereon, and reissues thereof, to said Assignee, its successors and assigns; and I hereby authorize said Assignee, its successors and assigns, to file in its own name applications for patent in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority of said United States application or otherwise, and to secure in its own name the patent or patents issued thereon; and I hereby agree that, upon request, I will sign all papers, and make all rightful oaths, and do all acts which said Assignee, its successors or assigns, may consider necessary in connection with said United States application, and in connection with any other United States or foreign applications that may be filed in connection with said inventions, and with any improvements thereon, and in connection with any patents issued or reissued thereon.
