ASSIGNMENT OF INVENTION AND PATENT RIGHTS

WHEREAS, Michael F. Lee having a residence address at 13533 Lake Luntz Drive, Winter Garden, Florida 34787 (the "Assignor") is the sole and exclusive owner of all entire right, title and interest in and to the United States Patent Application Serial No. 13/351,260, filed January 17, 2012, entitled "MOUNT WITH IMPROVED JOINT CONNECTION" (the "Patent Application"); and

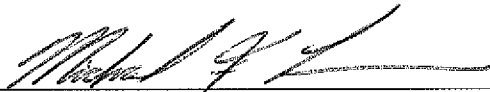

WHEREAS, High Gear Specialties Inc., a Florida corporation, having a principal place of business at 940 W Oakland Avenue, Suite A-10, Oakland, Florida 34787 (the "Assignee") is desirous of acquiring the entire right, title and interest in, to and under said Patent Application described therein and the inventions covered thereby (the "Inventions").

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, its successors and assigns, his entire right, title and interest in and to the Inventions and the Patent Application, and any and all patents issuing on or claiming any right of priority to the Patent Application including without limitation any and all future divisionals, continuations, continuations-in-part, re-exams, re-issues and extensions thereof which may be filed at any time, including all right, title and interest in and to any and all improvements to the Inventions and any and all other inventions and/or improvements disclosed in the Patent Application; and all right, title and interest in and to any future counterparts or legal equivalents of the Patent Application in any foreign country or region, including the right to claim priority under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperative Union, European Patent Convention, Common Market Convention, or any other Convention or Union for each country of said Convention or Union; and all rights of priority resulting from the filing of the Patent Application, the same to be held and enjoyed by Assignee, its successors and assigns, for its own use and enjoyment, to the end of the term or terms of the patent and any and all other patents as may be granted on the Patent Application or on any other application claiming any right of priority to the Patent Application, as fully and entirely as the same

would have been held and enjoyed by the Inventors if this assignment and sale had not been made; together with and including without limitation any and all claims for damages by reason of past infringement of any such patent, with the right to sue for and collect the same for the sole and exclusive use and enjoyment of Assignee, its successors and assigns.

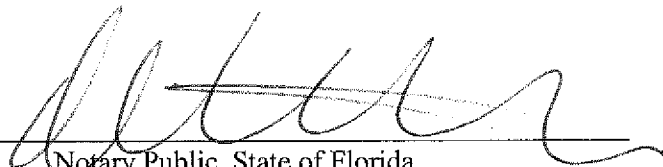

AND, FURTHER, the Assignor does hereby authorize and request any official whose duty it is to issue patents to issue any and all patents on the Inventions or resulting from the Patent Application, or any divisions, continuations, continuations-in-part, or re-issues thereof to Assignee, as assignee of the entire interest, and hereby covenants that he has full right to convey the entire interest herein assigned, and that he has not executed, and will not execute, any agreements inconsistent herewith.

IN WITNESS WHEREOF, Michael F. Lee has caused this instrument to be executed on this 23 day of Jan, 2012.
