**A S S I G N M E N T**

WHEREAS, Mark A. Chivers and Sujit Ravindran hereinafter referred to as assignors, have made certain improvements or inventions in ULTRA-WIDEBAND DUAL BAND MAGNITUDE SUMMER APPARATUS AND METHOD for which said assignors have executed an application for United States Letters Patent on the 22nd day of December 2011; and

WHEREAS, ABG Tag & Traq, LLC hereinafter referred to as assignee, is desirous of acquiring the same;

NOW THEREFORE, This Indenture Witnesseth: That for and in consideration of ONE DOLLAR, lawful money of the United States and other good and valuable consideration, receipt whereof is hereby acknowledged, said assignors do hereby sell, assign, and transfer to said assignee, its successors and assigns, all right, title and interest in and to said U.S. Patent Application, the invention or inventions therein shown and described and any improvements on said inventions heretofore or hereafter made, any divisions or continuations of said application, and all patents, United States and foreign, to be granted upon any such application, or for the invention or inventions thereof, and any reissues, continuations or extensions of said patents; and said assignors do hereby authorize and request the Commissioner of Patents to issue all patents on said United States Patent applications or for the invention or inventions hereof, in accordance with this assignment.

And said assignors for said consideration hereby covenant and agree that said assignors are the owners of the full title herein conveyed and have the right to convey the same, and agree that said assignors will communicate to said assignee, any facts known to said assignors respecting said invention or inventions, and testify in any legal proceedings when called upon by said assignee, sign all lawful papers deemed by said assignee as expedient to vest in it the legal title herein sought to be conveyed or for the filing and prosecution of all applications and patents, United States and foreign, and otherwise aid said assignee, its successors and

assigns, in obtaining full patent protection on said invention and enforcing proper protection under said patents, but in every instance at the assignee's expense.

Signed and sealed this 22nd day of December, 2011.
