ASSIGNMENT OF U.S. APPLICATION NO.

Whereas I, Andrew Neate who resides at 5 Phillips Road Fairford Leys, Aylesbury, Buckinghamshire HP19 7FL, United Kingdom, am the sole inventors and the sole owners of the entire right, title, and interest in the inventions and discoveries entitled LIGHT SOURCE a United States National Stage Patent Application as set forth and identified by U.S. Application Serial Number for Letters Patent 13/319,347, filed on November 8, 2011, and

Whereas Ceravision Limited, having its principal place of business at The Mansion, Bletchley Park, Wilton Avenue, Bletchley, Milton Keynes MK3 6EB, United Kingdom together with his successors and assigns (hereinafter referred to as "the Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions and discoveries as set forth and described in U.S. National Stage Patent Application for Letters Patent U.S. Serial No. 13/319,347, filed on November 8, 2011, including the full interest of above-mentioned Assignors, and any utilitys, continuations, divisions, extensions, substitutions, reissues and reexaminations thereof;

Now, therefore, to all whom it may concern, be it known, that the Assignors, for and in consideration of the sum of one U.S. Dollars (\$1.00) receipt and sufficiency of which is hereby acknowledged and other valuable consideration furnished by Assignee to Assignors, Assignors hereby, without reservation:

1. Assign, transfer, and convey to the Assignee the entire right, title, and interest in and to said inventions and discoveries and any and all improvements thereon, including said Application for Letters Patent of the United States of America, any and all other applications for Application for Letters Patent on said inventions and discoveries in whatsoever countries, including but not limited to all divisional, continuation, continuation-in-part, foreign filing and PCT applications based in whole or in part upon said inventions and discoveries, or any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said inventions and discoveries, and every priority right that is or may be predicted upon or arise from said inventions, said discoveries, and said Letters Patent, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment had not been made, together with all claims for damages by reason of past infringement of said Application for Letters Patent, with the right to sue for and collect the same for Assignee's own use, and for the use of Assignee's successors, assigns, or other legal representatives;

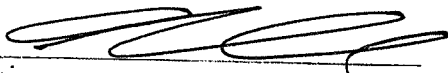

2. Authorizes the Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in the Assignor's name or in the name of the Assignee or otherwise as the Assignee may deem advisable, under any treaties and conventions or otherwise;

3. Authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer said Application for Letters Patent to the Assignee, as assignee of the entire right, title, and interest therein or otherwise as the Assignee may direct;

4. Warrant that that the Assignors has not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; and that the Assignors have good right to assign the Assignee without encumbrances;

5. Bind the Assignors heirs, legal representatives and assigns, as well as the Assignors, to do, upon the Assignee's request and at the Assignee's expense, but without additional consideration to the Assignors or the Assignors heirs, legal representatives and assigns, all acts reasonably serving to assure that the said inventions and discoveries, the said Application for Letters Patent shall be held and enjoyed by the Assignee as fully and entirely as the same could have been held and enjoyed by the Assignors or the Assignor's heirs, legal representatives, and assigns if this assignment had not been made; and particularly to execute and deliver to the Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by the Assignee; to communicate to the Assignee all facts known to the Assignors relating to said inventions and discoveries or the history thereof, and to furnish the Assignee with any and all documents, photographs, models, samples, and other physical exhibits in the Assignors control or in the control of the Assignors heirs, legal representatives or assigns which may be useful for establishing the facts of the Assignors conceptions, disclosures, and reduction to practice of said inventions and discoveries.
