ASSIGNMENT AND AGREEMENT

For value received, I, Wei Wu residing at 5655 Meadow Drive, Ann Arbor, MI 48105, U.S.A., hereby sell, assign, and transfer to Chemnano, Inc., a corporation of the State of Michigan, having an office at 4788 Runway Blvd., Ann Arbor, MI 48108, U.S.A., and its successors, assigns and legal representatives, hereinafter collectively "Chemnano," the entire right, title and interest, for the United States of America, in and to certain inventions related to "**PROCESS OF MANUFACTURING NANO-SCALE POWDERS**," described in U.S. Provisional Application Serial No. 60/792,855, filed on April 18, 2006 and any and all applications claiming the benefit thereof including the right of priority, and described in U.S. Nonprovisional Application Serial No. 11/787,647 filed on April 17, 2007, and all the rights and privileges in said applications and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions, together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents. I also concurrently hereby sell, assign and transfer to Chemnano the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the applications aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions. I sell, assign, and transfer this right, title and interest as of the day of filing of the U.S. Provisional Application mentioned above.

I authorize Chemnano to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in

proof of the right of Chemnano to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Chemnano in the United States and in all countries foreign to the United States, or to such nominees as Chemnano may designate.

I agree that, when requested, I shall, without charge to Chemnano but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.

DATED:

April 28, 2010
