## ASSIGNMENT

**WHEREAS**, we, Robert W. Honeycutt, Charles F. Harmon, and James P. Daniel, each having a residence and citizenship as identified in the respective signature block below, having invented one or more inventions (hereinafter referred to as "said invention(s)") disclosed in U.S. patent application nos. 61/374,541 (filed on August 17, 2010, and entitled "Articulating Cage"), and 13/212,163 (filed on August 17, 2011, and entitled "Articulating Cage") (hereinafter referred to as "said application(s)"); and

**WHEREAS**, Safe Rack LLC (hereinafter together with its successors and assigns referred to as "the Assignee"), a South Carolina limited liability company, having a place of business at 219 Safety Avenue, Andrews, SC 29510, is desirous of obtaining all right, title, and interest in, to, and under said invention(s), and said application(s).

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we have sold, assigned, transferred, and set over, and by these presents hereby sell, assign, transfer, and set over to the Assignee our right, title, and interest in, to, and under said invention(s) and said applications, including the right to apply for any Letters Patent of the United States of America, and in any and all foreign countries on said invention(s), and any and all other applications for Letters Patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part, and convention applications based in whole or in part upon said invention(s), or upon said application, and any and all Letters Patent which may issue thereon in the United States and foreign countries, and any and all reissues, extensions, renewals, divisions, continuations, or continuations-in-part of Letters Patent granted for said invention(s), or upon said applications, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s), said applications, and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by us had this Assignment not been made. We hereby authorize the Assignee to file patent applications in any and all countries on any or all of said invention(s) in our name, or in its name, or otherwise, as the Assignee may deem advisable, under the International Convention or the applicable laws of a particular jurisdiction.

We hereby authorize the responsible official of the United States Patent and Trademark Office of the United States, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer all said Letters Patent on said invention(s) to the Assignee as owner of all right, title, and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

We hereby represent and warrant that we have the full right to convey our entire right and interest herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that we will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

We hereby covenant and agree that we will, upon request of the Assignee, communicate to the Assignee any facts known to us relating to said invention(s) and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing, and reissue applications, and all rightful oaths, and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce proper patent protection for said invention(s) in all countries.

This Assignment is *nunc pro tunc* as of August 17, 2011.

IN TESTIMONY WHEREOF, we have executed this document on the below-indicated date(s).
