ASSIGNMENT

WHEREAS, Conservation Resource Solutions, Inc., a corporation organized and existing under and by virtue of the laws of the State of Georgia, and having an office and place of business at 70 Newcomb, Acworth, Georgia 30101, is the owner of all right, title and interest in and to U.S. Patent Application No. 12/344,524, filed December 28, 2008, which is entitled TELEMETRY-ENABLED TRAP MONITORING SYSTEM.

AND WHEREAS, New Frequency, Inc., a corporation organized and existing under and by virtue of the laws of the State of Georgia, and having an office and place of business at 110 Samaritan Drive, Suite 104, Cumming, Georgia 30040 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and applications and in and to the Letters Patents to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, Conservation Resource Solutions, Inc. has sold, assigned, and transferred, and by these presents does sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid applications and patents, and in and to the applications, all divisions, continuations, or renewals thereof, all Letters Patents which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patents on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patents of foreign countries which may be granted therefrom; and Conservation Resource Solutions, Inc. does hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patents for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, Conservation Resource Solutions, Inc. does hereby agree that Conservation Resource Solutions, Inc. and their executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to Conservation Resource Solutions, Inc. relating to said

improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patents, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore Conservation Resource Solutions, Inc. covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Conservation Resource Solutions, Inc. and that full right to convey the same as herein expressed is possessed by Conservation Resource Solutions, Inc.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 10th day of January, 2012.
