ASSIGNMENT AGREEMENT

For good and valuable consideration the receipt of which we hereby acknowledge, we made the following assignment and promises to Accessible Technologies, Inc. ("Assignee"), a Kansas corporation having a principal place of business at 14801 West 114th Terrace, Lenexa, Kansas 66215, in connection with my invention of a new, original, BLOWER ASSEMBLY ("Invention").

1. We assign, transfer, and convey to Assignee the entire right, title and interest in and to:

- (a) the Invention;
- (b) the application for United States Letters Patent executed by me on January 13th, 2012;
- (c) any Letters Patent issued pursuant to, or as a result of, the application or applications referenced above;
- (d) all applications for Letters Patent, or similar legal protection, which may be filed in any country or countries foreign to the United States with respect to the Invention;
- (e) all Letters Patent which may be granted for the Invention in any country or countries foreign to the United States; and
- (f) all extensions, renewals, reissues, divisions, and continuations (or their legal equivalents) of any applications or Letters Patent referred to above.

2. We authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications, to issue to Assignee all Letters Patent or similar legal protection for the Invention or improvements.

3. We agree that, upon the request of Assignee, we will

- (a) execute any and all divisional, continuation and renewal applications for the Invention or improvements;
- (b) execute any supplemental oath relating to the Invention or improvements;
- (c) execute any application for reissue or extension of any Letters Patent that may be granted upon the application;
- (d) cooperate to the best of our ability in connection with any Interference proceeding, including but not limited to, cooperation in connection with preparing the preliminary statement and giving and producing evidence in support of such preliminary statement;

- (e) perform any and all affirmative acts to obtain Letters Patent and vest all right in such Letters Patent in Assignee; and
- (f) perform such additional acts as Assignee may deem necessary or expedient in connection with any of the matters stated above.

4. This Assignment Agreement is binding upon, shall inure to the benefit of, and shall be performed by the parties named, their heirs, administrators, legal representatives, successors and assigns.

5. This Assignment is entered into *nunc pro tunc* (effective) as of the date of conception of the Invention, and at least as early as the date of execution of the application for United States Letters Patent referenced above.
