P-9208 (57675)
App. Serial No. 13/303,055
Filed November 22, 2011

ASSIGNMENT

WHEREAS, We, Ryan Schoonmaker, Cole Constantineau and Michel Bruehwiler, all citizens of the United States of America, residing respectively at 1211 Elfin Forest Road East, San Marcos, California 92078; 44 Aberdeen Avenue, Cambridge, Massachusetts 02138; and 14 Erie Avenue, Newton, Massachusetts 02461 (hereinafter called "Assignors"), have made certain new and useful inventions or discoveries relating to an:

"Adjustable Height Needle Infusion Device"

for which we are making application for Letters Patent of the United States of America, and which application was filed on **November 22, 2011** as U.S. Application No. 13/303,055 said application claiming the priority of U.S. Provisional Application No. 61/344,971, filed on **November 30, 2010**;

WHEREAS, Becton, Dickinson and Company, a corporation of the State of New Jersey (hereinafter called "Assignee"), is desirous of acquiring the entire right, title, and interest therein;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the premises and in acknowledgment, confirmation and performance of obligations which arose out of the terms and conditions of agreements that relate to Assignors' employment by Assignee at the time the invention was made, and/or other valuable considerations to them, the receipt and sufficiency of which are hereby acknowledged, Assignors have assigned and transferred, and do hereby assign and transfer unto said Assignee the entire right, title and interest in and to all said inventions and discoveries disclosed in said applications whose identification above by serial number and filing date, if missing above, is hereby authorized when available, and in and to said applications, all substitutions, divisions, and continuations thereof, and in and to all Letters Patent, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals, reissues and thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue said Letters Patent in accordance with this Assignment;

And for the consideration aforesaid, Assignors covenant and agree with said Assignee that they have a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignee, its successors and assigns;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them, promptly communicate to said Assignee or its representatives any facts known to them relating to said inventions and discoveries, testify in any interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for the said inventions and discoveries or that may be necessary to vest in said Assignee the complete title to the said inventions and discoveries and patents hereby conveyed and to enable it to record said title.
