ASSIGNMENT OF FILED PATENT APPLICATION

WHEREAS, I, Bradley Thomas COLLAR, residing at 26919 Monterey Avenue, Valencia, California 91355, US, have made certain new and useful inventions in "Technology for Presenting 3-D or Stereoscopic Images from DVD Disc", and have disclosed the same in an application for Letters Patent of the United States therefor, said application having been executed by me as of the date set forth below; and

WHEREAS, I, Christopher J. COOKSON, residing at 11555 Dilling Street, Studio City, California 91604, US, have made certain new and useful inventions in "Technology for Presenting 3-D or Stereoscopic Images from DVD Disc", and have disclosed the same in an application for Letters Patent of the United States therefor, said application having been executed by me as of the date set forth below; and

WHEREAS, I, Lurinda CHIN, residing at 16731 Parthenia Street, Northridge, California 91343, US, have made certain new and useful inventions in "Technology for Presenting 3-D or Stereoscopic Images from DVD Disc", and have disclosed the same in an application for Letters Patent of the United States therefor, said application having been executed by me as of the date set forth below; and

WHEREAS, **WARNER BROS. ENTERTAINMENT INC.**, a corporation organized and existing under the laws of the State of Delaware, having a place of business at 4000 Warner Blvd., Bldg. 156, Room 5158, Burbank, CA 91522-4253 (hereafter called the "Assignee") is desirous of acquiring the entire interest in all inventions disclosed in said application entitled:

METHOD AND APPARATUS FOR GENERATING STEREOSCOPIC IMAGES FROM A DVD DISC

This patent application was filed in the United States Patent and Trademark Office on November 6, 2007, and received Serial No. 11/935,445. Hereafter, this patent application is called the "application".

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations to me paid by said Assignee, the receipt and sufficiency whereof is hereby acknowledged, I do hereby sell, assign, and transfer unto said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to all said inventions disclosed in said application; and in and to said application, including all priority rights for other countries arising from said application; and in and to all substitutions, provisionals, divisions, and continuations thereof; and in and to all Letters Patent, United States and foreign, that may be granted for said inventions; and in and to all extensions, renewals, and reissues thereof.

And I do hereby authorize and request the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related

thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, I do hereby, for me and for my legal representatives, further covenant and agree with said Assignee, its successors and assigns, that I have full and unencumbered title to the inventions and application above described and hereby assigned, which title I warrant unto said Assignee, its successors and assigns; that I have granted to others no license to make, use, or sell said inventions; and that I will not execute any instrument in conflict herewith.

And for the consideration aforesaid, I do hereby, for me and for my legal representatives, further covenant and agree with said Assignee, its successors and assigns, that upon request I will execute substitute, continuing, divisional, or reissue applications, amended specifications, or rightful oaths; communicate to said Assignee, its successors and assigns, any facts known to me relating to said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said inventions; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for said Assignee, may be necessary or convenient to secure the grant of Letters Patent to said Assignee, its successors and assigns, or its nominees, in the United States and in all other countries where said Assignee may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for said Assignee, and to vest and confirm and complete legal and equitable title to all such inventions, applications, and Letters Patent, and to enable it to record said title, without further consideration than now paid but at the expense of said Assignee, its successors or assigns.
