PATENT ASSIGNMENT

WHEREAS, **James ROBINSON**, whose full post office address is **Box 557, 1 Rheinland Road, Hague, Saskatchewan S0K 1X0, Canada**, (hereinafter the "Assignor"), is the inventor of an invention, which is the subject of an International Application entitled **MIXTURES OF MUSTARD PLANT MATERIAL FOR THE CONTROL OF PESTS AND METHODS OF MAKING**, filed under Serial No. **PCT/CA2011/050648** (hereinafter the "International Application"), under the provisions of the Patent Cooperation Treaty (PCT), on **October 14, 2011**, claiming priority from U.S. Provisional Application entitled **MIXTURES OF MUSTARD PLANT MATERIAL FOR THE CONTROL OF PESTS AND METHODS OF MAKING**, filed under Serial No. **61/424,771** on **December 20, 2010**;

AND WHEREAS, **MPT MUSTARD PRODUCTS & TECHNOLOGIES INC.** whose full post office address is **101-111 Research Drive, Saskatoon, Saskatchewan S7N 3R2, Canada**, (hereinafter the "Assignee"), has acquired from the Assignor, all of the Assignor's entire right, title and interest in and to the said invention, in all countries of the world, including all of the Assignor's rights to the International Application, and all related applications, including any and all national and regional phase applications based on the International Application, and all substitutes, divisionals, continuations, and continuations-in-part, and all patents, that may be obtained therefor, and in any and all reissues, extensions, renewals, reexaminations of said applications and patents;

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, the Assignor by these presents confirms that, as of the filing date of the International Application, the Assignor has sold, assigned and transferred, and does hereby sell, assign and transfer to said Assignee, the Assignor's entire right, title and interest in and to the invention, the International Application, and all other applications and patents based on the International Application, to be held and enjoyed by the

Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this assignment not been made.

The Assignor authorizes and empowers said Assignee, its successors, assigns and legal representatives or nominees, to invoke and to claim for any application for patent or other form of protection for said invention or for additions and modifications thereto, filed by it or them, the benefit of the right of priority provided by: the International Convention for the Protection of Industrial Property, as amended; any convention which may henceforth be substituted for it; membership in the World Trade Organization; or any other applicable International treaty, convention or agreement; and to invoke and to claim such right of priority without further written or oral authorization from me.

The Assignor shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and to maintain applications and patents for said invention and for additions and modifications thereto in any and all countries, and to vest title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

The Assignor authorizes and empowers the firm of Bereskin & Parr LLP/S.E.N.C.R.L., s.r.l., whose complete address is Suite 4000, 40 King Street West, Toronto, Ontario, Canada M5H 3Y2, the power to insert on this assignment any further identification, to prepare any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country, and to correct any clerical error in this assignment.

In this assignment, in accordance with provisions of Article 2 (i) and (ii) PCT, "application" means an application for the protection of an invention; references to an "application" shall be construed as references to applications for patents for inventions, inventors' certificates, utility certificates, utility models, patents or certificates of addition, inventors' certificates of addition, and utility certificates of addition; references to a

"patent" shall be construed as references to patents for inventions, inventors' certificates, utility certificates, utility models, patents or certificates of addition, inventors' certificates of addition, and utility certificates of addition.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.

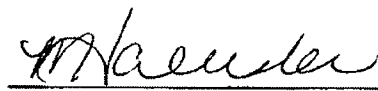

The Parties confirm their express wish that this Assignment be drawn up in the English language. *Les parties confirment leur volonté expresse que cette cession soit rédigée en langue anglaise.*

SIGNED this 20 day of Dec, 2011, at Saskatoon, Saskatchewan, Canada.
