WHEREAS, we /I:

Prasad DEVARAJAN of 9265 Steeplechase Drive, Cincinnati, OH 45242,

have made a certain new and useful invention as set forth in U.S. provisional patent application 60/568,645, Attorney's Docket No. COL-001P, filed the 6th day of May, 2004; in U.S. provisional patent application 60/615,566, Attorney's Docket No. COL-001P2, filed the 1st day of October, 2004; and in U.S. Utility Patent application no. 11/123,368, filed the 6 day of May, 2005 (the hereinafter named assignee or the attorney of record for said patent application being hereby authorized to insert said U.S. Utility Patent application no. and filing date when ascertained).

We/I made said invention set forth in said patent applications while employed by Children's Hospital Medical Center of Cincinnati, Ohio, and acknowledge our/my obligation at the time the invention was made to assign said invention to Children's Hospital Medical Center. Pursuant to said obligation, we/I assign to Children's Hospital Medical Center, its legal representatives, successors and assigns, the entire right, title and interest, including the right to claim priority of the filing date of said patent applications under international conventions, in said invention as set forth in said patent applications, including any divisional, continuation, continuation-in-part, continued prosecution, or provisional application thereof, and in any international or foreign patent application disclosing and claiming said invention, and in all patents, including any reissued, reexamined, or extended patent thereof, of the United States and of any foreign country which may be issued for said invention, as fully and completely as the same would have been held by us/me had this assignment not been made. The entire right, title and interest shall vest irrevocably in Children's Hospital Medical Center. We/I further agree upon request, without additional compensation but at no expense to us/me, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Children's Hospital Medical Center, its legal representatives, successors and assigns, or as said Children's Hospital Medical Center may direct.

AND we/I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Children's Hospital Medical Center, its legal representatives, successors or assigns, as the owner of the entire right, title, and interest in said patent and the invention covered thereby.
