ASSIGNMENT

to

The University of Washington through its Center for Commercialization
Seattle, Washington

WHEREAS, Luis Ceze and Brandon Lucia have made a certain invention in SYSTEMS AND METHODS FOR FINDING CONCURRENCY ERRORS for which Luis Ceze and Brandon Lucia have executed an application for Letters Patent filed in the U.S. Patent Office on December 6, 2011, as Application No. 13/312,844; and

WHEREAS, the University of Washington through its Center for Commercialization, a public institution of higher education having a place of business at Seattle, Washington, is desirous of acquiring an interest in said invention and in any patent or patents to be obtained therefor;

NOW, THEREFORE, for sufficient, good, and valuable consideration, the receipt of which is hereby acknowledged, Luis Ceze and Brandon Lucia hereby sell, assign, and transfer unto the University of Washington through its Center for Commercialization the entire right and title to and interest in said application and said invention for the United States of America and its territorial possessions and all foreign countries, and the entire right and title to and interest in any and all letters patents which may be granted therefor in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues, and continuations thereof;

And Luis Ceze and Brandon Lucia further covenant and agree that Luis Ceze and Brandon Lucia will, at the request and expense of said University of Washington through its Center for Commercialization, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that Luis Ceze and Brandon Lucia will, at the request and expense of said University of Washington through its Center for Commercialization, execute such application papers as may be desired by said University of Washington through its Center for Commercialization for the filing of any continuation, division, or renewal of the application herein conveyed, or for reissues or extensions of any Letters Patent that may be granted upon said application, and will execute such supplemental oaths and preliminary statements or other papers as desired by said University of Washington through its Center for Commercialization.

And Luis Ceze and Brandon Lucia further assign unto said University of Washington through its Center for Commercialization the entire right and title to and interest in said invention throughout all countries foreign to the United States, and do hereby authorize said University of Washington through its Center for Commercialization to apply for international patents and patents therefor in its own name in countries where such procedure is proper and to claim the benefit of the International Convention, and do agree to execute applications for said invention in the several countries where it is necessary that the same be executed by the

inventors and to execute assignment of such applications and the patents to be obtained therefor to said University of Washington through its Center for Commercialization, the assignee herein, as well as all other necessary papers.

IN TESTIMONY WHEREOF, Luis Ceze and Brandon Lucia have hereunto executed this assignment on the date set forth below.
