Bret A. Coldren, residing at 1125 Countrywood Lane, Vista, CA 92081 USA, respectively (hereinafter called "Assignors"), have made certain new and useful inventions or discoveries relating to

EYE DRUG DELIVERY SYSTEM

for which they have executed an application for Letters Patent of the United States Patent and Trademark Office; and

WHEREAS, Johnson & Johnson Vision Care, Inc., a corporation of the State of Florida and Innovative Micro Technology, a Delaware company (hereinafter referred to as "Assignees"), are desirous of acquiring joint ownership of Assignors' entire right, title, and interest therein:

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar and other valuable considerations, the receipt of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and do hereby sell, assign and transfer unto said Assignees their entire right, title and interest in and to all said inventions and discoveries disclosed in said application whose identification above by serial number and filing date, when available is hereby authorized, and in and to said application, all substitutions, divisions, and continuations thereof, and in and to all Letters Patent, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignees, its successors and assigns, as fully and

entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents of the United States to issue said Letters Patent in accordance with this Assignment;

And for the consideration aforesaid, Assignors covenant and agree with said Assignees that they have a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignees, their successors and assigns;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them promptly communicate to said Assignees or its representatives any facts known to them relating to said inventions and discoveries, testify in any interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignees or their representatives, successors, nominees, or assigns to secure full and complete protection for the said inventions and discoveries or that may be necessary to vest in said Assignees the complete title to the said inventions and discoveries and patents hereby conveyed and to enable it to record said title.
