(hereinafter called the "Assignor"), hereby sells, assigns and transfers to:

The National Institute for Biotechnology in the Negev Ltd.  
POB 653  
Beer-Sheva  
84105  
Israel

(hereinafter called the "Assignee"), its successors, assignees, nominees or other legal representatives, the Assignor's entire right, title and interest in and to the invention entitled:

**COVALENT INHIBITION OF BACTERIAL QUORUM SENSING**

described and claimed in the following patent applications:

U.S. Patent Application identified as Attorney Docket No. 2489, and also as the US National Phase Application No. 13381952 of PCT Application No. PCT/IB2010/053061, filed herewith;

and in and to said Patent Application, and all original and reissued Patents granted therefore, and all divisions and continuations, reexaminations, extensions and substitutes thereof, and any right, title and interest in provisional applications to which said application claims priority, including the right to apply and obtain Patents in all other countries, the priority rights under International Conventions, and the Letters Patent which may be granted thereon;

Assignors further agree to execute upon request any other lawful documents and likewise to perform any other lawful acts that may be deemed necessary to secure fully the aforesaid invention(s) to Assignees, their successors, assigns, and legal representatives, but at Assignees' expense, including the execution of non-provisional, continuation, divisional, reissue, reexamination, extension, substitution, or corresponding foreign or international patent applications; and

Assignors hereby further agree to provide statements or testimony in any interference or other proceedings in which said invention(s) or any patent application or patent directed thereto may be involved;.

Signed this 9 day of February 2012
