ASSIGNMENT

Whereas, I, DIRK SCHIETKE of Pappelallee 8, 18147 Rostock, Federal Republic of Germany, have invented certain new and useful improvements in Method for Automatically Starting a Wind Turbine and a Wind Turbine for Carrying Out the Method for which application for United States Letters Patent has been executed on even date herewith, (said application having Attorney Docket No. 54768-25); and,

Whereas, NORDEX ENERGY GMBH, a corporation organized and existing under the laws of the Federal Republic of Germany, having its principal office at Langenhorner Chaussee 600, 22419 Hamburg, Federal Republic of Germany (hereinafter referred to as NORDEX), is desirous of obtaining Letters Patent for, said invention in the United States;

Now, therefore, I hereby confirm that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have transferred unto said NORDEX, its successors, assigns, nominees or other legal representatives, the full and exclusive right to said invention and have agreed to assign and transfer and do hereby assign and transfer unto said NORDEX, its successors, assigns, nominees or other legal representatives, the full and exclusive right, title and interest in and to said application including all priority rights under 35 USC 119 and under the International Convention for the Protection of Industrial Property associated therewith and the full and exclusive right to any and all Letters Patent which may be granted in the United States on said application to the full end of the term for which said Letters Patent is granted and to any and all divisional, continuation, substitute and reissue applications derived from said application.

I agree for myself and for my heirs, executors and administrators to communicate to said NORDEX, its successors, assigns, nominees or other legal representatives, all facts known to me respecting said improvements, whenever requested, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute and reissue applications, make all rightful oaths and do all lawful acts requisite for the application, for such divisional,

continuation, substitute and reissue applications or the procuring thereof, and I further covenant and agree that I will, at any time upon request, do everything legally possible to aid said NORDEX, its successors, assigns, nominees or other legal representatives, either in its or their own name, to maintain and enforce any patent for said improvements without further consideration but at the expense of said NORDEX, its successors, assigns, nominees or other legal representatives.

I hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any and all Letters Patent which may be granted upon any of said applications, to said NORDEX as the Assignee of the entire right, title and interest in and to the same, for its sole use and behoof; and for the use and behoof of its successors, assigns, nominees, or other legal representatives, to the full end of the term for which said Letters Patent may be granted.
