ASSIGNMENT

WHEREAS, we, Norman Leve of 12315 Boothbay Court, St. Louis, Missouri 63141 and Clifford Leve of 12317 Boothbay Court, St. Louis, Missouri 63141, have invented certain new and useful improvements for *Insurance for a Safe Deposit Box* for which we have filed the patent applications identified in Schedule A included herewith; and,

WHEREAS, SDBIC Holdings, LLC (hereinafter "Assignee"), a Delaware limited liability company, having an address at 25 Grove Street, Elgin, Illinois 60120, is desirous of acquiring the entire right, title and interest in and to said inventions and improvements as disclosed in said applications, in and to said applications, and in and to all patents to be obtained thereon.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, we, Norman Leve and Clifford Leve, have sold, assigned and transferred and do hereby sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest in and to said inventions and improvements as the same are disclosed in said applications identified in Schedule A which were executed by us, in and to said applications, and in and to any and all Letters Patent and applications filed therefor, including provisionals, non-provisionals, divisionals, continuations, reissues, reexaminations and extensions to be obtained therefor in the United States and all foreign countries; and we further agree to cooperate with the Assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the Assignee may desire to apply for, but at the expense of said Assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Assignee in accordance with this Assignment.

The undersigned hereby authorize and request the attorneys of record in said application(s) to insert in this Assignment the serial number, filing date, and date of execution of said applications.

For said considerations, the undersigned hereby agree, upon the request and at the expense of said Assignee, to execute any provisional, non-provisional, divisional, continuation, continuation-in-part or substitute application for said inventions or improvements, and any oath or affidavit relating thereto, and

any application for the reissue or extension of any Letters Patent that may be granted upon said applications, and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agree to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assign to said Assignee the entire right, title and interest in said inventions or improvements for all foreign countries, including all priority rights, and agree to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

IN WITNESS WHEREOF, I have hereunto set my hand the 24TH day of JANUARY 2012.
