ASSIGNMENT

THIS ASSIGNMENT is made and entered effective as of September 24, 2011.

WHEREAS, Richard Million Burke, Jr., an individual located at 4118 L Venta Drive, Westlake Village, CA 91361; and Aaron Horton, an individual located at Building 503, Apartment 303, Wolong Development, Siming District, Xiamen City, Fujian Province, People's Republic China; and Howard David Goldberg, an individual located at 2821 Shellcreek Place, Westlake Village, CA 91361; and Paul L. Stals, an individual located at 3933 Moreno Drive, Palm Harbor, FL 34685 (hereinafter collectively referred to as "Assignors"), believe themselves to be the record owners of the invention as disclosed and claimed in the United States Application for Letters Patent filed on September 24, 2011, application number 13/244,296, for a new and useful CONTAINER CAP WITH A TIMER;

WHEREAS, Timer Cap Company, LLC, a California corporation, having a place of business at P.O. Box 3003, Thousand Oaks, CA 91359-3003 (hereinafter "Assignee"), desires to acquire by formal, recordable assignment, the entire right, title, and interest in and to the invention, the applications, and any Letters Patent that might be granted for the invention in the United States;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold, assigned, and transferred, and by these present does hereby sell, assign, and transfer, unto Assignee, the entire right, title, and interest in and to the invention, the applications, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

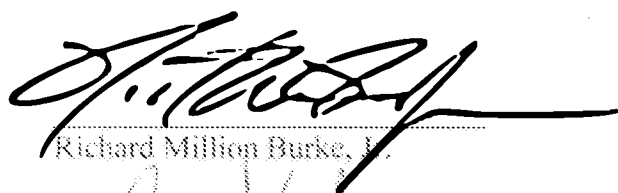

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its

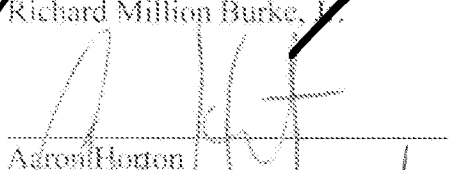

successors and assigns, to the invention, the applications, and any Letters Patent granted for the invention in the United States and throughout the world. In addition, Assignors do hereby make, constitute, and appoint Assignee, or any officer or agent of Assignee, as Assignors' true and lawful attorney-in-fact, with power of substitution, to enforce every such contract, permit, license, claim, demand or right, with respect to the Assigned Patent, and to do any and all things necessary to be done as fully and effectually as Assignors might or could do, and hereby ratify all that said attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable.

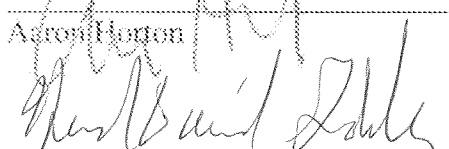

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment. Assignors further represent and warrant that they do not know of any improvements to the invention, other than what has been disclosed in the applications and/or has been communicated to the patent attorney(s) prosecuting said applications. Assignors have not filed any other patents relating in any way to the Assigned Applications and agree not to do so.

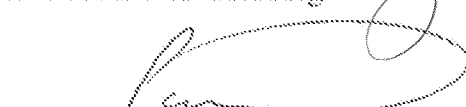

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the applications or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, or its successors or assigns, as the assignee of the entire interest in the invention.

ASSIGNMENT

THIS ASSIGNMENT is made and entered effective as of February 24, 2012.

WHEREAS, Philip John Tomasi, an individual located at 4997 Via Santana, Newbury Park, CA 91320; (hereinafter collectively referred to as "Assignor"), believes himself to be a co-inventor of the invention as disclosed and claimed in the United States Application for Letters Patent filed on September 24, 2011 and amended on February 24, 2012, application number 13/244,296, for a new and useful CONTAINER CAP WITH A TIMER;

WHEREAS, Timer Cap Company, LLC, a California corporation, having a place of business at P.O. Box 3003, Thousand Oaks, CA 91359-3003 (hereinafter "Assignee"), desires to acquire by formal, recordable assignment, the entire right, title, and interest in and to the invention, the applications, and any Letters Patent that might be granted for the invention in the United States;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, and transferred, and by these present does hereby sell, assign, and transfer, unto Assignee, the entire right, title, and interest in and to the invention, the applications, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the invention, the applications, and any Letters Patent granted for the invention in the United States and throughout the world. In addition, Assignor does hereby make, constitute, and appoint Assignee, or any officer or agent of Assignee, as Assignor's true and lawful attorney-in-fact, with power of substitution, to enforce every such contract, permit, license, claim, demand or right, with respect to the Assigned Patent, and to do any and all things necessary to be done

as fully and effectually as Assignor might or could do, and hereby ratify all that said attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable.

Assignor represents and warrants that they have not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment. Assignor further represents and warrants that they do not know of any improvements to the invention, other than what has been disclosed in the applications and/or has been communicated to the patent attorney(s) prosecuting said applications. Assignor has not filed any other patents relating in any way to the Assigned Applications and agree not to do so.

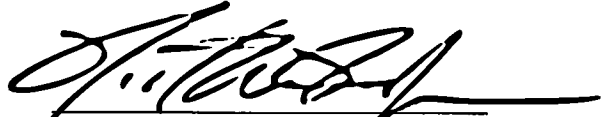

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the applications or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, or its successors or assigns, as the assignee of the entire interest in the invention.
