CONFIRMATORY ASSIGNMENT

NUNC PRO TUNC

WHEREAS, **Shaw Engineering Associates, LLC**, (hereinafter referred to as "ASSIGNOR") a limited liability company organized and existing under the laws of the State of Massachusetts having a place of business at 2 Ben Davis Lane, East Falmouth, MA 02536 is the owner, by assignment, of **Letters Patent of the United States No. US 7,712,329** issued May 11, 2010 based on **Application No. 11/664,956** for Letters Patent of the United States filed September 27, 2005, for the invention therein entitled **OIL BALANCE SYSTEM AND METHOD FOR COMPRESSORS** (which application was a continuation-in-part of Application No. 11/952,366 and Application No. 10/959,254, now abandoned);

AND WHEREAS, Assignor now wants to confirm that all of its right, title and interest in and to said **United States Patent No. US 7,712,329** and said **Application No. 11/664,956** and the invention therein, were assigned to **Hallowell International, LLC** (hereinafter referred to as "ASSIGNEE"), a limited liability company organized and existing under the laws of the State of Maine, having a place of business at 110 Hildreth Street, Bangor Maine 04401;

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR hereby confirms that at least as early as September 27, 2005, it assigned, sold, and transferred, to the said ASSIGNEE, the entire right, title and interest of ASSIGNOR in and to said **Application No. 11/664,956** and **Letters Patent of the United States No. US 7,712,329**, and all of ASSIGNORS right, title and interest in and to the invention in said Application and Patent, in the United States and in all foreign countries, including priority rights, as fully set forth and described in said application and Patent; and ASSIGNOR does hereby authorize and request the Commissioner of Patents to issue said **Patent US 7,712,329** and all Letters Patent on said **Application No. 11/664,956**, and any and all Letters Patent that may be issued upon any and all revivals, refilings, continuations, continuations-in-part, divisions and reissues thereof, to the said ASSIGNEE, as assignee of the entire right, title and interest in and to the same, for the sole use and behoof of ASSIGNEE, its successors and assigns; and ASSIGNOR does hereby agree that

the said ASSIGNEE, may apply for foreign Letters Patent on said invention and that ASSIGNOR will execute all papers necessary in connection with the United States and foreign applications when called upon to do so by the said ASSIGNEE, its successors or assigns, and that ASSIGNOR will, at the cost and expense of the said ASSIGNEE fully assist and cooperate in all matters in connection with the United States and foreign applications and patents issuing thereon.

This confirmatory assignment is effective *nunc pro tunc* at least as early as September 27, 2005.

The undersigned declares that all statements made herein of its own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
