## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "Agreement") is made as of March 2, 2012 (the "Effective Date") by Craig S. Etchegoyen an individual ("Assignor") residing in Newport Beach, CA and Uniloc Luxembourg S.A., a Luxembourg corporation ("Company"), having an office at 15 rue Edward Steichen, L-2450 Luxembourg.

### RECITALS

A. Assignor has certain ownership interests in and to those certain patents and patent applications listed on Exhibit 1 hereto (together with and any and all divisionals, continuations, continuations-in-part, reexaminations, extensions, substitutions, reissues, renewals, additions and foreign counterparts thereto, including all United States and foreign patents issuing therefrom, collectively, the "Patent Rights").

B. The parties desire that Assignor assign, transfer and sell to Company, for good and valuable consideration the receipt, adequacy and sufficiency of which is hereby acknowledged, Assignor's entire right, title and interest in and to the Patent Rights.

NOW, THEREFORE, for and in consideration of the mutual promises, benefits and covenants contained herein and for other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Assignor and Company, intending to be legally bound, hereby agree as follows:

### AGREEMENT

#### 1. Assignment to Company.

1.1 Assignment. Assignor shall and hereby does sell, assign and transfer to Company, Assignor's entire worldwide right, title and interest in and to the Patent Rights. To the extent any of the rights, title and interest in and to the Patent Rights cannot be assigned by Assignor to Company, Assignor hereby grants to Company an exclusive, royalty-free, transferable, irrevocable, worldwide license (with rights to sublicense through multiple tiers of sublicensees) to fully practice and exploit such non-assignable rights, title and interest. To the extent any of the rights, title and interest in and to the Patent Rights can be neither assigned nor licensed by Assignor to Company, Assignor hereby irrevocably waives and agrees never to assert such non-assignable and non-licensable rights, title and interest against Company, any of Company's successors in interest to such non-assignable and non-licensable rights or any of Company's sublicensees of such rights.

1.2 Patent Assignment. On or before the Effective Date, Assignor shall execute the assignment of the Patent Rights in the form attached hereto as Exhibit 2, which assignment Company shall have the right to record on or after the Effective Date with the United States Patent and Trademark Office.

1.3 Further Assurances. Assignor agrees that, upon request and without further compensation, Assignor and its legal representatives and assigns will do all lawful acts,

including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Company's right in the Patent Rights in the United States and throughout the world, and for perfecting, recording, or maintaining the title of Company, and Company's successors and assigns, in and to the Patent Rights in the United States and throughout the world. In the event that Company is unable for any reason to secure Assignor's signature to any document that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing the Patent Rights in the United States and throughout the world, or for perfecting, recording, or maintaining the title of Company, and Company's successors and assigns, in and to the Patent Rights in the United States and throughout the world, Assignor hereby irrevocably designates and appoints Company and Company's duly authorized officers and agents as Assignor's agents and attorneys-in-fact to act for and on Assignor's behalf and instead of Assignor to execute such document, all with the same legal force and effect as if executed by Assignor. The foregoing is deemed a power coupled with an interest and is irrevocable.

2. Consideration. In consideration for the assignment of the Patent Rights from Assignor to Company, Assignor shall receive, on, before, or after the Effective Date, monetary compensation in the form of salary, cash incentives, and/or stock in the Company or in one or more subsidiaries of the Company. Assignor hereby acknowledges that such payment constitutes sufficient and adequate consideration for the assignment of the Patent Rights to Company under Section 1.1.

3. Acceptance of Assigned Properties. Company hereby accepts the foregoing assignment of the Patent Rights.

4. Warranty by Assignor. Assignor hereby represents and warrants to Company, as of the Effective Date, as follows: Assignor has good, valid and marketable title to all of the Patent Rights free and clear of all security interests, liens, encumbrances, charges, rights of first refusal, rights of first negotiation, options and other restrictions (collectively, "Encumbrances"). The execution and delivery of this Agreement will transfer to and vest in Company good, valid and marketable title to all of the Patent Rights, free and clear of any Encumbrances. Assignor has not granted to any third party (a) any rights, title or interest in or to any of the Patent Rights, or (b) any other rights inconsistent with this Agreement, except that those of the Patent Rights that are designated by an asterisk (\*) on Exhibit 1 are assigned to Company subject to a license previously granted by Assignor to BlueCava, Inc. pursuant to that certain Amended and Restated Master Patent Ownership and License Agreement between Assignor and BlueCava, Inc., a copy of which has been previously provided by Assignor to Company. Company agrees that it receives the assignment of such Patent Rights subject to such license to BlueCava, Inc., and covenants to abstain from undertaking any action that may adversely affect such license previously granted by Assignor to BlueCava, Inc. or otherwise cause Assignor to be in violation of the aforementioned Amended and Restated Master Patent Ownership and License Agreement.

5. Patent Rights. All Patent Rights have been duly filed with the applicable governmental entity, and maintained, including the timely submission of all necessary filings and payment of fees in accordance with the legal and administrative requirements or the appropriate jurisdictions, and have not lapsed, expired or been abandoned. All fees related to the filing and prosecution of the Patent Rights have been fully and timely paid.

7. Binding Effect. This Agreement shall be binding upon the parties and their respective heirs, legal representatives, successors and assigns.

8. Severability. In the event that any provision of this Agreement shall be held unenforceable or invalid, such provision shall be amended and interpreted so as to best accomplish the economic objectives of the original provision. The other parts of the Agreement shall remain in full force and effect.

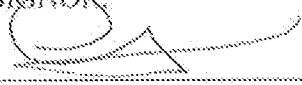

9. Applicable Law; Forum. This Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to conflict of law principles. The exclusive jurisdiction and venue for actions related to the subject matter of this Agreement shall be the state and U.S. federal courts in Orange County, California. Both parties consent to the jurisdiction and venue of such courts.

10. Entire Agreement. This Agreement constitutes the entire agreement of the parties relating to the subject matter hereof. There are no terms, conditions or obligations other than those contained in this Agreement. This Agreement supersedes all prior communications, representations or agreements between the parties relating to the subject matter hereof. This Agreement may not be amended except in writing executed by the parties.

[Balance of page intentionally left blank.]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be signed below by their respective duly authorized officers. BY EXECUTING THIS Agreement, EACH OF THE PARTIES ACKNOWLEDGES THAT IT HAS READ THIS Agreement AND UNDERSTANDS ITS TERMS AND PROVISIONS. This Agreement may be executed by signatures transmitted by pdf or other electronic means and such signatures shall be deemed to bind each party as if they were original signatures.
