Dear Madam

MOMENTIVE SPECIALTY CHEMICALS UK LIMITED, Co. No. 867053

I enclose a certificate of fact a copy of which will be placed on the public register to explain that the original certificate of incorporation on change of name issued to the company contained a typographical error. We have also amended the index of company names to show the correct company name.

The typographical error does not invalidate the original certificate. The purpose of the certificate of fact is to publicise to searchers the fact that the original certificate contains a typographical error and to restate the company's name correctly.

If you have any queries please contact New Companies Support on the above number.

Yours faithfully

Angela Louros
