PATENT ASSIGNMENT

This Assignment, effective as of <sup>2012</sup> ~~22 February~~, is executed by **Anthony Evans**, an individual residing at Sycamore House, Newland, Gloucestershire GL16 8NJ, England, ("**Assignor**") in favor of **Evans Design Dynamics LLC**, a Florida limited liability company, having an address of 1814 N. 15<sup>th</sup> Street, Tampa FL 33605 ("**Assignee**").

BACKGROUND

- A. Assignor represents and warrants that he is the sole owner of the entire right, title, and interest in and to the inventions and related patents, patent applications, and related materials and embodiments thereof, all as listed on **Schedule A** hereto (collectively, the "**Assigned Property**").
- B. Assignee desires to purchase Assignor's entire right, title, and interest in and to the Assigned Property.

ASSIGNMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged:

1. Assignment Generally. Assignor, by these presents do hereby irrevocably assigns, transfers, and conveys to Assignee, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to, and under the Assigned Property, including all (a) inventions, (b) patents, (c) patent applications (including all patents that may be granted thereon), (d) all divisions, continuations, reissues, reexaminations, renewals, and extensions of such patents, and (e) all rights of priority under international conventions and

applications for letters patent that may hereafter be filed for such inventions, applications and patents in any country or countries. Assignor retains no interest in the Assigned Property.

2. Assignment of Prior Claims. Assignor by these presents do hereby assigns, transfers; and conveys to Assignee, its successors, legal representatives and assigns, all claims for damages and all remedies arising out of any violation of the Assigned Property and other rights assigned hereby that may have accrued prior to the date of assignment to Assignee, or may accrue hereafter, including the right to sue for, collect, and retain damages for past, present or future infringements of all or any part of the Assigned Property.

3. Instruction. Assignor hereby authorizes and requests the Commissioner of Patents of the United States, and any official of any country foreign to the United States whose duty it is to issue patents on applications included in the Assigned Property, to issue all letters patent therefor and all letters patent resulting from the applications and the patents included in the Assigned Property, to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment.

4. Further Assurances. Assignor agrees to execute, deliver and record, without charge to but at the request and expense of Assignee, all additional papers, and take such additional actions, necessary or useful in order to give effect to the assignment of the Assigned Property as set forth in this Assignment and to otherwise carry out in good faith the intent and purpose of this Assignment. Without limiting the foregoing, Assignor will, for all countries, (a) provide to Assignee all facts known to Assignor relating to the Assigned Property and the history thereof; (b) testify in all legal proceedings and generally do everything possible which Assignee, its successors, legal representatives and assigns, shall consider desirable for aiding in securing,
