ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

For good and valuable consideration, the receipt of which is hereby acknowledged, SCOTT ARCHERY MANUFACTURING (ASSUMED NAME OF SCOTTECH ARCHERY, LLC) ("Assignor"), does hereby sell, assign, transfer and convey unto SCOTT ARCHERY LLC ("Assignee") and/or Assignee's designees, all of Assignor's right, title and interest in and to all intellectual property rights acquired and/or developed by or for Assignor and/or used or planned to be used in the business of Assignor (collectively "Intellectual Property Rights"), including but not limited to:

All published and unpublished technical, marketing and other information and materials, whether or not confidential and whether or not copyrightable;

All inventions and discoveries, whether or not the subject matter of any patent applications or patents;

All United States, international and foreign patent applications and patents, whether or not listed in the Schedule attached to and forming part of this Assignment; including any and all reissues, divisionals, renewals, extensions, provisionals, continuations and continuations-in-part of any of the foregoing;

All trademarks, trade names, product names and trade dress, whether or not listed in the Schedule, and including the good will of the business associated therewith;

All rights under all intellectual property licenses, assignments and contracts to and under which Assignor is a party or a beneficiary; and

All applications to and approvals from any and all governments and government agencies relating to intellectual property rights.

Assignor further assigns and conveys to Assignee and/or Assignee's designee(s) (1) all rights to all past, present and future causes of action and enforcement rights to all of the Intellectual Property Rights, including all rights to pursue damages, injunctive relief and other remedies for past, present and future infringement; and (2) the right to apply in any or all countries of the world, in the name of Assignee or its designee(s), for patents, registrations and other governmental grants or approvals for the Intellectual Property Rights, including without limitation under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement or understanding.

Assignor represents, warrants and covenants that Assignor owns the full right and title to the Intellectual Property Rights, that no licenses or other rights under any of the Intellectual Property Rights have been granted to any third parties, that neither Assignor nor any of its representatives are aware of any fact or matter that may affect the validity or enforceability of any of the Intellectual Property Rights, that neither Assignor nor any of its representatives have any notice, knowledge or cause to believe that any of the Intellectual Property Rights may violate the rights of any third party, that the information provided by Assignor with respect to the Intellectual Property Rights is reliable and complete to the best of Assignor's and its representatives' information and belief, and that Assignor has full power to make this Assignment and to sell, assign, transfer and convey the rights as provided herein.

Assignor will, at the reasonable request of Assignee, at its sole cost and expense and without demanding any further consideration therefor, do all things necessary, proper, or advisable, including without limitation the execution, acknowledgment and recordal of specific assignments, oaths, declarations and other documents, to assist Assignee in obtaining patents, registrations and other governmental grants or approvals for, perfecting title to, and enforcing the Intellectual Property Rights. Assignor hereby irrevocably appoints Assignee as its sole attorney-in-fact to execute any document reasonably required to accomplish any or all of the foregoing purposes.

The terms and conditions of this Assignment shall inure to the benefit of Assignee, its designees, successors, assigns and other legal representatives, and shall be binding upon Assignor, its successors, assigns and other legal representatives.

IN WITNESS WHEREOF this Assignment of Intellectual Property Rights is executed at Fayette Co., Ky. on 3/7, 2012.
