**DECLARATION OF STEVE BESSER****Mail Stop Amendment**

Commissioner for Patents

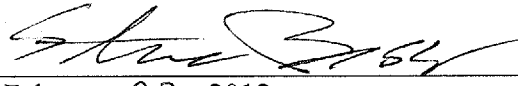

P. O. Box 1450

Alexandria, Virginia 22313-1450

I, Steve Besser, hereby declare that:

1. I am one of the named inventors of the above-identified patent application and am an employee of Tol-O-Matic, Inc.
2. On October 25, 2011, I signed a Declaration and an Assignment to Tol-O-Matic, Inc. in connection with the above application. In fact, a Notary Public notarized my signature on the Assignment on October 25, 2011.
3. The Declaration and the Assignment were returned to the attorneys for Tol-O-Matic, Inc. and, on information and belief, these documents were filed with the United States Patent and Trademark office on or about November 1, 2011.
4. It was recently brought to my attention that the signature date line on the Declaration and on the Assignment reads as "11/25/11", not 10/25/11. This was inadvertent because I did in fact sign these documents on October 25, 2011. Thus, the date line on these documents should be "10/25/11".

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that willful false statements may jeopardize the validity of the application or any patent issued thereon.
