## PATENT ASSIGNMENT

Date: November 7, 2011

WHEREAS, Carroll W. Smith, a citizen of the United States of America, hereinafter called the "ASSIGNOR," represents that ASSIGNOR is the sole inventor of the LED Luminaire Design shown in the attached images (the "Invention"), for which a U.S. design patent application is being filed in the United States Patent and Trademark Office concurrently herewith; and

WHEREAS, Nexus Light Drive, LLC, a Florida limited liability company, D/B/A AFFINEON LIGHTING having a registered office at 3941 N.W. 126<sup>th</sup> Avenue, Coral Springs, Florida 33065, hereinafter called "ASSIGNEE," desires to acquire the entire right, title and interest in and to said Invention and said patent application, and in and to all inventions described and claimed in said application and/or embodied by or in the Invention, and in and to the right to claim Paris Convention priority in other patent application filings based on said application, the right to file additional applications and any patents which may be obtained upon said applications for said inventions therein contained and all other rights related to the Invention.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for Ten Dollars (\$10.00) in hand paid, and for other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, ASSIGNOR has sold, assigned and transferred, and ASSIGNOR does hereby sell, assign and transfer unto the said ASSIGNEE, its successors and assigns, the entire right, title and interest in and to said Invention and patent application, and any divisionals, continuations or continuations-in-part, and in and to the right to claim Paris Convention priority in other patent application filings based on said application as well as any patents which may be obtained thereon or therefor in the United States of America and all foreign countries, and in and to any reissues or extensions of any patents which may be granted for said invention, and in and to any improvements, additions to, or modifications of said invention, which ASSIGNOR may acquire by invention or otherwise, as well as any royalties, damages, claims, rights to assert claims against past infringers and any rights to any other compensation or consideration related to the Invention, the same to be held and enjoyed by ASSIGNEE for ASSIGNEE's own use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which said patents or any reissues or extensions thereof may be granted, at least as fully and as entirely as the same might be held by ASSIGNOR had this Assignment not been made, and ASSIGNOR hereby represents and warrants that ASSIGNOR has not executed and will not execute any instrument inconsistent with the rights granted herein, and ASSIGNOR hereby binds ASSIGNOR and ASSIGNOR's heirs, executors, administrators and legal representatives to execute any and all papers and instruments and to do any and all acts which may be necessary or required by the said ASSIGNEE, in order to carry into full force and effect this sale, assignment and transfer, and ASSIGNOR further represents and warrants that ASSIGNOR hereby binds ASSIGNOR and ASSIGNOR's heirs, executors, administrators and legal representatives to communicate at any time, upon request to the said ASSIGNEE, its successors and assigns any facts relating to the said Invention and the history thereof known to them or to their heirs, executors, administrators and legal representatives, and that ASSIGNOR will testify as to the same in any interference to obtain or any other litigation to enforce the patent or patents which may be granted for said Invention when requested to do so by the said ASSIGNEE, its successors or assigns.

ASSIGNOR hereby authorizes and requests that any patent which may be granted for said Invention and any invention embodied therein be granted to the said ASSIGNEE as the assignee of the entire right, title and interest therein. ASSIGNOR further authorizes and requests that attorney Manuel Valcarcel, Esq. (Reg. No. 41,360) of Greenberg Traurig, P.A. insert in Schedule A the application serial no.(s) and filing date(s) for the design patent application(s) filed for the Invention concurrently herewith when said data is known.

MIA 182,237,470v1

IN WITNESS WHEREOF, ASSIGNOR has hereunto set the ASSIGNOR's signature as of the date and year first above written.
