ASSIGNMENT

WHEREAS, we, **Kuntal CHOWDHURY** being a citizen of the United States of America, residing at 6 Odyssey Way, Andover, Massachusetts 01810; **Robert MARKS** being a citizen of the United States of America, residing at 2462 Bluestone Bay Drive, New Lenox, Illinois 60451; **Rajesh VELANDY** being a citizen of the United States of America, residing at 17 Souhegan Drive, Nashua, New Hampshire 03063; and **Andrew GIBBS** being a citizen of the United States of America, residing at 140 Hidden Road, Andover, Massachusetts 01810 (collectively the "Assignor"), are inventors of certain new and useful inventions and discoveries, for which Assignor is making an application for Letters Patent entitled "PROVIDING PROXY MOBILE IP OVER COMMUNICATION NETWORK" also identified as Attorney Docket Number 111244-264US2, which patent application was filed in the United States Patent and Trademark Office on November 23, 2010, and assigned U.S. Patent Application No. 12/952,909; and,

WHEREAS, **Cisco Technology, Inc.**, a California corporation, whose business address is 170 West Tasman Drive, San Jose, California 95134-1706, and which, together with its successors and assigns is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited;

NOW, THEREFORE, for and in consideration of good and valuable consideration furnished by Assignee to Assignor, receipt and sufficiency of which is hereby acknowledged, Assignor hereby, without reservations agree to:

Assign, transfer, and convey to Assignee the Assignor's entire right, title, and interest in and to said inventions and discoveries, said application for Letters Patent, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part, and convention applications based in whole, or in part, upon said inventions or discoveries, or upon said applications, and any and all Letters Patents, reissues, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon, or arise from, said inventions, said discoveries, said applications, and said Letters Patent;

Authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable, under International Conventions or otherwise;

Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments throughout the world to issue or transfer all said Letters Patents to Assignee or otherwise as Assignee may direct;

Warrant that the Assignor has not knowingly conveyed to others any right in said inventions, discoveries, applications, or patents, or any license to use the same, or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; and that Assignor has good right to assign the same to Assignee without encumbrance;

Bind Assignor and Assignor's heirs and legal representatives, without further consideration, to cooperate with Assignee in the prosecution of said application for Letters Patent and any and all other applications for Letters Patent on said inventions and discoveries, execute, verify, acknowledge and deliver all such further papers, including any and all other applications for Letters Patent on said inventions and discoveries, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the inventions and discoveries, to obtain or maintain or enforce said Letters Patent for the inventions and discoveries and improvements therein in any and all countries and to vest title thereto in Assignee. Assignor further agrees that such Assignor will, without further compensation to Assignor during the term of such Assignor's employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce said Letters Patent for the inventions and discoveries and improvements therein in any and all countries and to vest title thereto in Assignee.
