ASSIGNMENT

WHEREAS, Dr. Charles Rex Teeslink and Griscom Bettie (hereafter "CO-INVENTORS") have jointly invented certain new and useful improvements in a product which is now the subject of an application for U.S. Letters Patent, Serial No. 13/105,255, entitled VASCULAR ACCESS SEALING SYSTEM AND METHOD, filed May 11, 2011, in the name of said CO-INVENTORS;

WHEREAS, Wound Care 360°, Inc., a corporation duly organized under the laws of the State of Florida and having its principal place of business at P.O. Box 1988, Boca Grande, FL 33921, is the exclusive owner by assignment of the entire right, title and interest in and to said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto; and

WHEREAS, Wound Care 360, LLC, a corporation duly organized under the laws of the State of Florida and having its principal place of business at P.O. Box 1988, Boca Grande, FL 33921, is desirous of acquiring an interest in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Wound Care 360°, Inc., has sold, assigned and transferred, and by these presents sells, assigns and transfers unto said Wound Care 360, LLC the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in said application;
- (b) said application;
- (c) any and all refilings, divisions, and continuations of said application;
- (d) any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions and continuations;
- (e) any and all reissues of said Letters Patent of the United States of America;
- (f) any and all applications for Letters Patent on said invention **that have been, or may be,** filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;
- (g) any and all refilings, divisions and continuations of said foreign-filed applications;
- (h) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations; and
- (i) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by said Wound Care 360, LLC, for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and Wound Care 360, LLC does hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.

Assignor further agrees to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights in the rights assigned herein.
