ASSIGNMENT OF INVENTION

For good and valuable consideration, I, DAVID CASTILLEGOS, 13777 Old El Camino Real, San Diego, California 92130, inventor of a certain invention or improvement in **Eye Drain for Relieving Pressure from Fluid**, as fully set forth and described in U.S. Provisional Patent application No. 61/054,080, filed 05/16/2008, preparatory to obtaining Letters of Patent of the United States therefor, being the owner of all right, title, and interest to and in said application and in and to the invention described therein, free from all prior assignments, agreements, licenses, mortgages, or other encumbrances whatsoever, and having full right to convey my entire interest both legal and equitable herein assigned, do hereby sell, assign, transfer and set over unto

OCUMATRIX, INC.
7825 Fay Avenue, Ste. 200
La Jolla, CA 92037

a corporation organized and existing by virtue of the laws of the State of California, and having an office and place of business in County of San Diego, State of California, (hereinafter referred to as "Assignee"), my entire right, title and interest in and to said application and in and to said invention in and for all countries, and all patents which may be granted therefor, and all divisions, reissues, continuations and extensions thereof, including the right to claim for the foreign patents the benefit of the International Convention.

And I hereby covenant and agree that I will, at any time upon request, without further compensation, execute and deliver any and all lawful papers or instruments that may be necessary or desirable to secure to said Assignee the full enjoyment of the rights and properties herein conveyed or intended to be conveyed; execute all divisional, continuing and reissue applications, make all rightful oaths, testify in any legal proceeding and communicate to said Assignee, or its representatives any facts known to me respecting said invention, and generally do everything possible to aid said Assignee, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this 10th day of July, 2008.

DAVID CASTILLEGOS
