ASSIGNMENT

WHEREAS, new and useful improvements have been made by the undersigned in

FULL BODY HARNESS

and are the subject of a patent application filed in the United States Patent and Trademark Office on January 13, 2006 as U.S. Ser. No. 11/332,518, which is now issued Patent No. 7,979,919, which issued on July 19, 2011, which application is further identified as Pearne & Gordon LLP Docket No. OMA-34598US2.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all of the undersigned's right, title, and interest, in the United States and throughout the world, in, to and under said improvements and inventions and all patents, patent applications, patent rights, and inventors' certificates thereof, therefor, and therein, including without limitation said undersigned's right, title and interest in: said application for patent in the United States; all divisions and continuations thereof; all patents which may be granted thereon; all reissues and extensions thereof; all right to sue for past infringement thereunder; all patents which may be granted for said improvements and inventions by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefor, have been and are hereby sold, assigned, transferred, and delivered by the undersigned unto RIT SAFETY SOLUTIONS, LLC, a Florida limited liability company having a principal place of business at 2101 28th Street North, St. Petersburg, FL 33713 (US), hereinafter referred to as "assignee," its successors and assigns; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the undersigned's entire right, title, and interest in, to, and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the undersigned's entire right, title and interest in, to, and under the same.

The undersigned hereby grant the firm of Pearne & Gordon LLP the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
