## ASSIGNMENT

WHEREAS, we, Davy L. Beicker, a citizen of the United States of America, residing at 2418 Wild Turkey E, San Antonio, TX 78232; and Stephen H. Schuetze, a citizen of the United States of America, residing at 221 Vista Robles, San Antonio, TX 78232 (hereinafter referred to as the "Assignors") are the original joint inventors of a certain new and useful Invention entitled "Tilt-Up Concrete Spandrel Assemblies and Methods", for which we have executed a Declaration for a Non-Provisional Patent Application of the United States; Application No. 13/406,513, filed February 27, 2012; and

WHEREAS, Clearview Composite Wall System, LLC ,a corporation organized under the laws of the State of Texas, whose address is 990 Isom Road, San Antonio, TX 78216 ("Assignee"), is desirous of obtaining the entire right, title and interest in, to and under the said improvements and the said application;

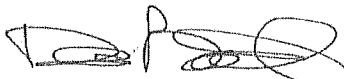

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, the said assignors, have sold, assigned, transferred, and set over, and by these presents, do hereby sell, transfer, and set over, unto the said assignee, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said improvements, and the said application and all divisions, renewals, continuations, and continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereinafter be filed for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters patent for said improvements to the said assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND, we hereby covenant that we have the full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND, we hereby further covenant and agree that we will communicate to the said assignee, its successors, legal representatives and assigns, any facts known to us respecting said

improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid the said assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent and similar protection for said improvement in all countries.
