WORLDWIDE INVENTION ASSIGNMENT

WHEREAS STEVE MANN, whose full post office address is 330 Dundas Street West, Toronto, Ontario M5T 1G5, Canada (the "Assignor") is the inventor of an invention titled "BRAINWAVE ACTUATED APPARATUS" as disclosed in the patent applications listed in Schedule "A" (herein the "Invention"), and is the owner of the Invention.

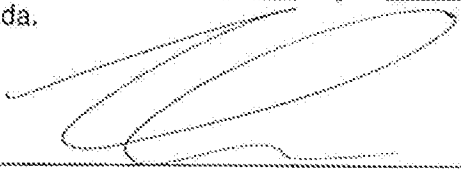

AND WHEREAS, INTERAXON, a corporation duly organized under the provincial laws of the Province of Ontario, whose full postal address is 160 John St., Suite 200, Toronto, ON, M5V 2E5, Canada (the "Company") has acquired from the Assignor all the rights, title, and interest in Canada, the United States of America, and all other countries in and to said Invention, including any unregistered rights, common law rights, applications, and registrations that may be obtained therefore;

NOW THEREFORE, in consideration of the interest the Assignor, a founder of the Company, has in the Company and the Company's success, which success is aided by the assignment of the Invention to the Company to induce the equity investment in the Company pursuant to that certain Subscription Agreement for Series Seed Preferred Shares dated as of the date hereof, the sum of \$500.00, and other good and valuable consideration, the receipt of all of which is hereby acknowledged, the Assignor, by these presents (1) confirms and represents that he is sole and exclusive owner of all rights, title and interest in and to the Invention and that the Invention is not subject to any encumbrance, and (2) further confirms that he has sold, assigned and transferred and does hereby sell, assign and transfer unto the Company, its full and exclusive rights to the said Invention in Canada, the United States and all other countries and his entire rights, title and interest in and to any and all registrations which may be granted therefore, and his entire rights, title and interest in and to any unregistered rights, common law rights, applications, and in and to any divisions, continuations, continuations-in-part, extensions of, and supplementary disclosures thereto, and in and to any additions or modifications to said Invention and, in jurisdictions where available, the right to claim damages for past infringement upon said Invention, together with his rights to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property based on said Invention.

The Assignor agrees that it will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain said Invention and for additions and modifications thereto in any and all countries, and to vest title thereto in the Company, the assignee, its successors, assigns and legal representatives or nominees.

The Assignor hereby authorizes and requests the national Invention Commissioner to issue any registrations of the Invention to the Company, the assignee of the Assignor's entire rights, title and interest in and to the Invention, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which such registrations may be granted as fully and entirely as the same would have been held by the undersigned had this assignment and sale not been made.

SIGNED this 17 day of March, 2012 at Toronto, Ontario,
Canada.
