PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT is executed as of the 21 day of October, 2011 by and between SYNGENTA CROP PROTECTION, LLC, having an address at 410 Swing Road, Greensboro, NC 27409 ("Assignor"), and Merial Limited, a company limited by shares registered in England and Wales (registered number 3332751) with a registered office at PO Box 327, Sandringham House, Sandringham Avenue, Harlow Business Park, Harlow, Essex CM19 5TG, England, and domesticated in Delaware, U.S.A. as Merial LLC, and having its place of business at 3239 Satellite Boulevard, Building 500, Duluth, Georgia 30096-4640 ("Assignee")

Whereas, the Assignor is the owner of all right, title and interest, in to and under certain patents and/or applications as set forth in Appendix A hereto ("the Patents") by virtue of assignment(s).

Whereas, the Assignee is desirous of acquiring or confirming all right, title and interest in to and under the certain patents and/or applications set forth in the Appendix hereto.

To effect such transactions and in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the parties agree as follows:

TERMS

Section 1 Assignment. The Assignor hereby conveys, transfers, assigns to, and confirms in the Assignee its entire right, title and interest in and to and under the Patents, the inventions and discoveries of said Patents, the use of such Patents, the enforcement and defense of such Patents, and all extensions, renewals, reissues, and reexaminations of the foregoing, the right to sue for past, present and future infringement, the right to prosecute reissues, reexaminations, continuations, continuations-in-part, divisionals and interferences.

Section 2 Authorization for Transfer. The Assignor hereby authorizes the empowered officials of any applicable governments or patent granting bodies, anywhere in the world, to issue or transfer all of the Patents and corresponding rights, and the Assignor's entire right, title and interest therein as the Assignee may direct, in accordance with this Assignment.

Section 3 Warranty. Assignor warrants that it has not knowingly conveyed to others any right assigned herein, including without limitation in, to or under, said inventions, discoveries, Patents, corresponding rights, or knowingly granted to others any license to use the same or to make, use or sell or offer to sell anything embodying or utilizing any of said inventions or discoveries or within said Patents and corresponding rights; and that Assignor has good right to assign the same to Assignee without encumbrance.

Section 4 Further Assistance. Assignor binds itself and its successors to do, upon Assignee's request and at its expense, but without additional consideration to Assignor or its successors, certain acts reasonably serving to assure that said rights in the Patents assigned herein shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by Assignor and its successors if this assignment had not been made.

Particularly, Assignor binds itself to execute and deliver to Assignee all lawful documents, including without limitation petitions, specifications, oaths, assignments, disclaimers, and affidavits in form and substance as may be reasonably requested by Assignee.

To the extent that Assignee requests additional documents, information or materials known to, possessed by or capable of being generated by Assignor and its successors, and relating to said Patents, said documents, information or materials including test data, photographs, models, samples and other physical exhibits which may be useful for establishing the facts of conceptions, disclosures, and reduction to practice of said inventions and discoveries disclosed and/or claimed in said Patents, such documents, information or materials to be provided to Assignee at the sole discretion of Assignor.

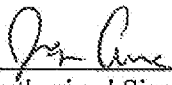

Section 5 Rights Cumulative As To Any Other Agreement. The rights and remedies of the Assignee and the duties and obligations of the Assignor hereunder shall be cumulative and in addition to the rights and remedies of the Assignee and the duties and obligations of Assignor under any other Agreement between the parties. Nothing herein shall be deemed to limit the rights and remedies of the Assignee and the duties and obligations of the Assignor under any other Agreement between the parties.
