TO ALL WHOM IT MAY CONCERN, be it known that:

WHEREAS, I the undersigned,

William J. Sequeira, a citizen of Costa Rica, residing at 4248 Balfour Avenue, Oakland, California, 94610,

hereinafter referred to as "Assignor," have made an invention or discovery in a

System and Method for a Master Scheduler

which is fully described and set forth in an application for Letters Patent of the United States of America, executed by me on the 20 day of AUGUST, 1998; and

WHEREAS,

Corporate Media Partners d/b/a/ americast,

a general partnership duly organized and existing under the laws of the State of Delaware of the United States of America, and having a place of business at

**10880 Wilshire Boulevard
Suite 1750
Los Angeles, CA 90024,**

hereinafter referred to as "Assignee," is desirous of obtaining an interest in, to and under the said invention or discovery, the said application, and any and all Letters Patent which may be granted for or upon the said invention or discovery in the United States of America and all countries foreign thereto;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) lawful money of the United States of America, to me in hand paid, and other good and valuable consideration, the receipt of which by me is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over, unto the said Assignee, its successors, legal representatives and assigns, all the right, title and interest whatsoever, throughout the World, in, to and under the said invention or discovery and the said application; in, to and under any and all refilings, divisions and continuations (including continuations-in-part and continued prosecution applications) of the said application; in, to and under any and all Letters Patent of the United States which may issue from the said application, refilings, divisions and continuations (including continuations-in-part and continued prosecution applications); in, to and under any and all reissues and extensions of said Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention or discovery which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations (including continuations-in-part and continued prosecution applications) of said foreign-filed applications; in, to, and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations (including continuations-in-part and continued prosecution

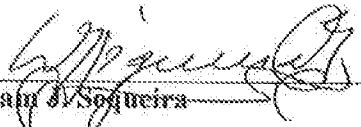

applications); and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America;

AND I, SAID ASSIGNOR, HEREBY authorize and request the Commissioner of Patents of the United States of America, and any Official of any country or countries foreign to the United States of America whose duty it is to issue Letters Patent on applications as aforesaid, to issue all such Letters Patent for said invention or discovery to the said Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and behoof of in accordance with the terms of this instrument;

AND I, SAID ASSIGNOR, HEREBY covenant that I have full right to convey the entire right, title and interest herein sold, assigned, transferred and set over;

AND I, SAID ASSIGNOR, HEREBY further covenant and agree that the said Assignee, its successors, legal representatives, or assigns, may apply for foreign Letters Patent on said invention or discovery and claim the benefits of the International Convention, and that I will at any time, when called upon to do so by the said Assignee, its Assignee, its successors, legal representatives, or assigns, as the case may be, any facts known to me respecting said invention or discovery, and execute and deliver any and all lawful papers that may be necessary or desirable to perfect the title to the said invention or discovery, the said applications and said Letters Patent or disclaimers relating thereto, or divisions, continuations, or refilings of the said applications, or any thereof, shall hereafter be desired by the said Assignee, its successors, legal representatives, or assigns, sign all lawful papers, make all rightful oaths, execute and deliver all such disclaimers and all divisional, continuation and reissue applications so desired, and do all lawful acts requisite for the application for such reissues and the procuring thereof and for the filing of such disclaimers and such applications, and generally do everything possible to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention or discovery in all countries, all without further compensation but at the expense of the said Assignee, its successors, legal representatives and assigns.

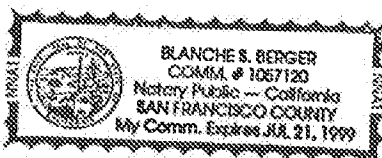

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this 20 day of AUGUST, 1998.
