ASSIGNMENT

WHEREAS, James Ralph Lamb and Timothy John Fast hereinafter called the "Assignors", have invented a new and useful "**Rigid Ribbed Tray**," for a full description of which reference is here made to a design application for a Letters Patent of the United States executed by them on date herewith; and

WHEREAS, Curwood, Inc., a corporation organized and existing under the laws of the State of Delaware, U.S.A., having a principal office and place of business at 2200 Badger Avenue, Oshkosh, WI, U.S.A., hereinafter called the "Assignee," is desirous of acquiring the entire right, title and interest in and to the said invention, the application above identified, and in, to and under a Letters Patent which may be obtained for the said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for, and in consideration of, the sum of one dollar (\$1.00) and other valuable and legally sufficient considerations, the receipt of which by the said Assignors from the said Assignee is hereby acknowledged, the said Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Assignee, the entire right, title and interest for the United States in and to the invention and application hereinabove identified, and any Letters Patent of the United States that may issue for the said invention as well as all continuations, continuations-in-part, divisions and reissues thereof, and any Letters Patents therefore in all countries foreign to the United States; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns to the full end of the term for which any and all of the said Letters Patent for the said invention that may issue;

AND, the said Assignors do hereby covenant and agree, for themselves and their legal representatives, that they will assist the said Assignee in the prosecution of the application herein identified; in the making and prosecution of any other applications for Letters Patent that the said Assignee may elect to make covering the invention herein identified, as hereinbefore set forth, including any application for reissue, application for reexamination, or any proceeding in the U.S. Patent and Trademark Office affecting the said invention, investing in the said Assignee like exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference or reexamination which may arise involving the said invention, or any application or Letters Patent herein contemplated; and that they will execute and deliver to the

said Assignee any and all additional papers which may be requested by the said Assignee to fully carry out the terms of this Assignment;

AND, the Commissioner of the U.S Patent and Trademark Office is hereby authorized and requested to issue any Letters Patent to the said Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHERE OF, the said Assignor has hereunto set his hand on the date indicated below.
