ASSIGNMENT

For valuable consideration, we, James Ducharme, Michael Sean Miller, Christopher Clifton McLaren, Dan Uwe Zehme and Deepak Taneja hereby assign to Aveksa, Inc., a Delaware corporation having a place of business at:

265 Winter Street
Waltham, Massachusetts 02451
United States

its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of applications for United States Patents signed by us and identified on Schedule A hereto; this assignment including the applications, any and all United States and foreign patents, utility models, and design registrations granted for any of the inventions or improvements, and the right to claim priority based on the filing dates of the applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for the inventions and improvements; and we agree for ourselves and respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

In Witness Whereof, I hereto set my hand and seal at _____ (Location),
