have invented certain new and useful improvements in "PV Kit for Roof Assembly for
which an application for a United States Patent was executed on _____, 2012 and
Whereas, Innovative Medical Products Inc. of Plainville, CT 06062 herein referred to
"assignee" whose post office address is of 87 Spring Lane, Plainville, CT 06062 is desirous
of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of one dollar, the receipt whereof is
acknowledged, and other good and valuable consideration, we, the applicants, by these
presents do sell, assign and transfer unto said assignee the full and exclusive right to the
said invention in the United States and the entire right, title and interest in and to any and
all Patents which may be granted therefor in the United States, we hereby authorize and
request the Commissioner of Patents and Trademarks to issue said United States Patent to
said assignee, of the entire right, title, and interest in and to the same, for his sole use and
behoof: and for the use and behoof of his legal representatives, to the full end of the term
for which said Patent may be granted, as fully and entirely as the same would have been
held by me had this assignment and sale not been made.
