ASSIGNMENT

Vialco, LLC., a corporation of Indiana, having a place of business at 1102 Stadium Drive, Indianapolis, IN 46202, ("VIALCO") has acquired all right, title and interest in to and under an invention, pending United States patent application and all rights appurtenant thereto, described and claimed in U.S. Patent Application No. 12/500,077, filed on July 9, 2009, entitled "System and Method for Removing a Cryoprotectant from a Liquid", (the APPLICATION) by an assignment from inventor Alan-Robert Brunzman, executed on August 28, 2009, and recorded with the United States Patent Office at Reel No. 023175 and Frame No. 0968. VIALCO now desires to assign all of its right, title and interest in the invention and all patent applications related thereto to General Biotechnology, LLC, a corporation of Indiana, having a place of business at 1102 Stadium Drive, Indianapolis, IN 46202, ("GBT").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, VIALCO does hereby sell, assign, and transfer to GBT, its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the APPLICATION, and in and to the APPLICATION and all divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other applications for Letters Patent, which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of the APPLICATION.

VIALCO further agrees that GBT may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to, but at the expense of, GBT, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, VIALCO will cause to be executed all divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other patent applications on any and all said improvements; cause to be executed all rightful oaths, assignments, powers of attorney and other papers; communicate to GBT, its successors, assigns, and representatives, all facts known to VIALCO relating to said improvements and the history thereof; and generally do everything possible which GBT, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications to patents and all patents on said improvements, in GBT, its successors, assigns and legal representatives.

VIALCO covenants with GBT, its successors, assigns and legal representatives, that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by VIALCO.

Signed at 3:00 PM, this 8th day of FEBRUARY, 2010,

Erik J. Woods,
President
Vialco, LLC.

ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, We, the undersigned, Alan Robert Brunzman, do hereby sell, assign, and transfer to: Vialco, LLC., a corporation of Indiana, having a place of business at 1102 Stadium Drive, Indianapolis, IN 46202, ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the application for United States Letters Patent, which was filed on July 9, 2009, assigned Serial No. 12/500,077 and is entitled: "System For Removing a Cryoprotectant from a Liquid," and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said United States application; and

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications to patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

Signed at Yellow Springs, Ohio, this 28 day of August, 2009,

Alan Robert Brunzman
