EXHIBIT A
Assignment of Patent Rights

Whereas, New York University, an educational corporation organized under the laws of the state of New York with an address at 12th Floor, Bobst Library, 70 Washington Square South, New York, New York 10012, (hereinafter "Assignor") is the owner of certain patents and patent applications listed in Exhibit B (collectively referred to as the "Patents");

And

Whereas, Facebook, Inc., a corporation organized under the laws of the state of Delaware with an address at 1601 Willow Road, Menlo Park, California 94025 (hereinafter "Assignee") is desirous of acquiring the right, title and interest in, to and under the said Patents.

Now, Therefore,

For good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby irrevocably assigns to Assignee:

the entire right, title, and interest, everywhere in the world, to

(a) the issued patents and patent applications set forth in Exhibit B;

(b) any patent applications and/or patents that may claim priority of the items in (a) (including but not limited to continuations, continuations in part, continuing prosecution applications, requests for continuing examinations, divisionals, substitutes, reissues, reexaminations, or extensions thereof, together with all priority rights and foreign counterpart applications under any existing or future international patent conventions, agreements, or treaties);

(c) any patent that may be granted on any patent application in (a) or (b); and

(d) any other rights in the invention described in any of (a), (b) or (c) including rights to apply in any or all countries of the world for patents, certificates of invention, utility models, industrial design protections, design patent protections, or other governmental grants or issuances of any type related to any of (a), (b), or (c) and the inventions, invention disclosures, and discoveries therein;

(all of the foregoing in (a)-(d), collectively, the "Patents");

(e) the right to sue third parties for infringement (including but not limited to past, present and future infringement, damages and injunctive relief) for all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and all other enforcement rights and remedies (past, present, and future whether known or unknown) under, or on account of, any of the Patents;

(f) any past, current, or future right to collect royalties or other payments under or on account of any of the Patents and/or any of the foregoing; and

(g) rights of cooperation assigned or granted by any third party under or on account of any of the Patents and/or any of the foregoing (all of the foregoing (a)-(g), the "Assigned Patent Rights").
Assignor hereby authorizes and requests the Director of the U.S. Patent and Trademark Office and any official of any other country whose duty it is to issue patents on the applications included in the Patents, to issue all Letters Patent for the inventions disclosed therein to Assignee, its successors and assigns.

The terms and conditions of this Assignment will inure to the benefit of Assignee, its successors, assigns, and other legal representatives and will be binding upon Assignor, its successors, assigns, and other legal representatives.

IN WITNESS WHEREOF this Assignment of Patent Rights is executed at New York, NY on March 30, 2012.
