PATENT

**ASSIGNMENT**

**WHEREAS**, John Domkowski of Kenosha, Wisconsin and Eric Schmidt of Forest Park, Illinois (hereinafter collectively referred to as "Assignors") have made certain inventions and improvements in **SYSTEM AND METHOD FOR INTERMIXING THE CONTENTS OF TWO CONTAINERS** (hereinafter the "Invention") for which an application for a United States Patent was filed on December 16, 2011 as U.S. Application No. 13/328,983, which claims the benefit of priority to United States Provisional Patent Application No. 61/424,263 filed on December 17, 2010 (hereinafter collectively referred to as "Patent Applications");

**WHEREAS**, Assignors are employees of Hospira, Inc., a corporation organized and existing under the laws of Delaware and having a place of business at 275 North Field Drive, Lake Forest, Illinois 60045 (hereinafter referred to as the "Assignee") and Assignors have, prior to the filing of the Patent Applications, executed employment agreements pursuant to which Assignors have agreed that all inventions created within the scope of their employment with Assignee are and shall be the sole property of Assignee, and pursuant to which Assignors have agreed to execute all documents necessary to document and record Assignee's ownership of such inventions;

**WHEREAS**, Assignors and Assignee desires to document by way of this Assignment the transfer to Assignee of Assignors' entire right, title, and interest in and to the Invention and to the Patent Applications, and all patents, foreign and domestic, which may be obtained for said Invention, as set forth below;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Assignors, the Assignors have assigned and transferred, and by these presents do hereby assign and transfer to the Assignee, the

entire right, title and interest for the United States and elsewhere in and to the Invention and the Patent Applications, and any patents that may issue for said Invention in the United States and elsewhere; together with the entire right, title and interest in and to said Invention and all patent applications, patents, utility models and designs therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable law, treaty or convention; together with the entire right, title and interest in and to all provisionals, continuations, divisions, renewals and extensions of any of the patent applications, patents, utility models and designs defined above; to have and to hold for sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

This document may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same document.

**IN TESTIMONY WHEREOF,** the Assignors have executed this agreement.
