ASSIGNMENT

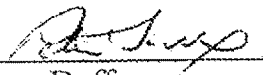

For valuable consideration, the receipt and adequacy of which is hereby acknowledged, **Wyeth Research Ireland Limited**, a private limited company incorporated in Ireland (registered number 403603) whose registered office is at Little Connell, Newbridge, County Kildare, Ireland, hereby sells, assigns and transfers unto **Pfizer Ireland Pharmaceuticals**, a private unlimited company incorporated in Ireland (registered number 490938) having its registered office at Operations Support Group, Ringaskiddy, County Cork, Ireland, its entire right, title, and interest in and to any patent application or patent in which it has right, title, or interest, including its entire right, title and interest in and to the patent applications and patents listed in the Schedule attached hereto and expressly made a part hereof; its entire right, title and interest, in all countries of the world, in and to all inventions disclosed in said patent applications and patents; its entire right, title and interest in and to all continuations, divisions, continuations-in-part, reissues, reexaminations and extensions thereof; its entire right, title, and interest in and to all patent applications and patents in all countries of the world claiming priority from the patent applications and patents listed in the Schedule, its entire right, title, and interest, if any, in and to all patent applications and patents in all countries of the world from which the patent applications and patents listed in the Schedule claim priority, and the right to claim priority from any such patent application or patent under the Paris Convention for the Protection of Industrial Property, and under any and all other such treaties and agreements to which the United States of America and/or Ireland is a party and which afford similar priority-claiming privileges, in all countries of the world; as well as the right to sue in the name of **Pfizer Ireland Pharmaceuticals** and recover damages for past infringement of any patent application or patent assigned hereby;

And **Wyeth Research Ireland Limited** hereby agrees, whenever requested, to communicate to said **Pfizer Ireland Pharmaceuticals** and its successors and assigns, any facts known to it respecting said inventions, to testify in any legal proceeding respecting said inventions, and to execute all applications or papers necessary to obtain and maintain proper patent protection on said inventions in all countries of the world;

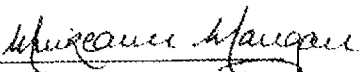

And **Wyeth Research Ireland Limited** authorizes **Pfizer Ireland Pharmaceuticals** or its designee to supply any missing patent application or patent identification information or correct any errors in the patent application or patent identification information provided herein whether discovered prior to or after recordation;

And Wyeth Research Ireland Limited hereby appoints Pfizer Ireland Pharmaceuticals, through its designee, its attorney-in-fact to execute, in its name and on its behalf, any and all documents required to effectuate this Assignment, including but not limited to further assignments, corrective assignments, powers of attorney and other papers.
