ASSIGNMENT

WHEREAS, I, LARRY NOUVEL (the "Inventor"), have invented certain new and useful improvements for Spot-On Pesticide Composition (the "Invention"), for which U.S. Patent Application No. 13/253,710 was filed October 5, 2011 (the "Application"); and

WHEREAS, Sergeant's Pet Care Products, Inc. ("Sergeant's"), a corporation organized under the laws of the State of Nevada, is desirous of acquiring an interest in, to and under said Invention, said Application, and any and all Letters Patent which may be granted for or upon said Invention in the United States of America and all countries foreign thereto.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned and transferred, and by these presents to sell, assign and transfer unto Sergeant's, the full and exclusive right, title and interest, throughout the world, in, to and under the following:

(a) said Invention as set forth and described in the specification, if any, prepared, executed, to be executed or not executed by me therefor, preparatory to obtaining one or more patents of the United States and/or countries foreign thereto, whether prepared, executed and/or filed as a provisional application and/or a non-provisional application;

(b) said Application;

(c) any and all provisionals and non-provisionals, refilings, divisions, continuations and continuations-in-part of said Application;

(d) any and all patents of the United States of America that may issue from said Application, refilings, divisions, continuations and continuations-in-part;

(e) any and all reissues, reexaminations and extensions of said patents of the United States of America;

(f) any and all further applications for patent for or upon said Invention that may be filed in any and all countries foreign to the United States of America;

(g) any and all refilings, divisions and continuations of said foreign-filed applications;

(h) any and all patents of countries foreign to the United States of America that may issue from the said foreign-filed applications, refilings, divisions and continuations; and

(i) any and all extensions of, and additions to, said patents of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by Sergeant's, for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.
